

Chapter: 568

Ugly Master suddenly felt the strong pressure, and his breathing was a little unsmooth. He knew that this was not what Lin Ziming deliberately embarrassed him, but it was invisible, which made him panic. He now seriously suspects that Lin Ziming will punch him at will. Can kill him.

Lin Ziming did not deliberately embarrass the clown, but his natural reaction when he mentioned Gu Hanxing.

The Ugly Master quickly said: "Back to Young Master, the young grandmother's family is fine during this time, and no one comes to ask for trouble. As for Gu Hanxing, it is rumored that he was also in retreat during this period of time to attack the innate realm, and there is no movement from him."

Lin Ziming nodded and said, "That's good."

Next, Lin Ziming didn't have to stay to waste time. Now that he has successfully broken through to the innate realm, he should go back to Hwaseong.

Counting it down, it has been almost half a month since he disappeared, so he had to make a call to report to Chu Fei.

The phone was connected quickly, and Chu Fei's worried voice rang, "Ziming, where have you been in the past half a month? Why have the phone been unable to get through, are you having trouble now? Oh my god, you don't know. How worried I am about you!"

Before he had time to speak, Chu Fei said it to Barabara, her tone full of worry and excitement.

Feeling Chu Fei's concern and nervousness for him, Lin Ziming only felt warm in his heart. He was particularly moved and said softly: "Fool, what can I do. Didn't I tell you, I have a little Things need to be dealt with. It will take half a month. Now I am not calling you."

"Then you didn't tell me that I would keep shutting down. You don't know how worried I am about you! You bad thing!"

"Sorry, I neglected your feelings, I will go back now." Lin Ziming said with some guilt. During this period of time, in order to sprint into the congenital realm with all his strength, he did turn his hands off, ignoring Chu Fei's feelings.

Chu Fei said an address and asked Lin Ziming to come and look for her.

After hanging up, Lin Ziming went on to call Wang Shougui and Han Jinlong and asked about their work. Both companies were still operating on the right track, so he was relieved.

After arranging everything, he began to leave here with Ugly Master and rushed to Hwaseong.

Back in Huacheng, Lin Ziming bid farewell to the ugly man and went directly to Chu Fei.

It is said that Xiaojie wins newlyweds. This is the truth. After half a month of separation, when Chu Fei saw Lin Ziming, the thoughts and joy in his eyes almost overflowed, and everyone around him could feel it very clearly. Lin Ziming was equally happy when he saw her. He held her hand in the past and looked at each other affectionately, "Feifei, I'm here."

Chu Fei nodded vigorously, nestled her head on Lin Ziming's shoulder, showing a happy smile.

This is at a dinner. There are more than a dozen people, all of the same age. Some are dressed very lightly, some are more ordinary. They see Chu Fei who has always been so cold, and they will actually treat a man like a bird. The scenes of people and hugs were all surprised. Especially some men feel even more uncomfortable in their hearts, and the eyes that look at Lin Ziming are full of jealousy and hostility.

Now Lin Ziming looked tall and thin, wearing sportswear, and he didn't look like a rich man at all.

"Feifei, who is next to you?" a woman asked.

Chu Fei took Lin Ziming's hand and said with a smile: "He is Lin Ziming, my husband."
