

Chapter: 569

“This is your son-in-law? Didn’t you say that he is useless...”

“Cough!” Chu Fei coughed immediately, with an unkind look on her face, and said, “Chunying, please give me the respect that my husband deserves.” Xiao Chunying was so embarrassed by Chu Fei that she laughed, and she didn’t want to say anything.

As for those men, they couldn’t hide their jealousy and hostility towards Lin Ziming.

They had eye contact and reached a consensus, to unite, take turns to toast Lin Ziming, get Lin Ziming drunk, and make Lin Ziming embarrassed!

Lin Ziming couldn’t see through their tricks, and smiled slightly, without revealing it, and he wouldn’t refuse anyone who came.

Seeing Lin Ziming so categorically at the beginning, they agreed. They were not a little vigilant, and they were all despising Lin Ziming in their hearts. They felt that Lin Ziming’s brain was not so good, and they were even more proud.

However, they found something was wrong. No matter how they poured Lin Ziming, Lin Ziming would have nothing to do. Drinking tens of degrees of liquor is like drinking plain water, but they will not get drunk. However, some of them are a little dizzy after drinking. They all began to wonder if Lin Ziming made tampering in the cup, but they gave the cup, and they poured the wine. Everything is going on under their noses. What did Lin Ziming do with tampering?

In the end, they were all scared by Lin Ziming, so they didn’t dare to fight anymore. The eyes that looked at Lin Ziming looked like ghosts, which was terrifying.

Later, Lin Ziming learned that this group of people were Chu Fei’s college classmates, and the men among them were Chu Fei’s former suitors.

“By the way, Zhang Yaodong seems to say that he will come over too. I don’t know if he is here. I’ll call him.” Suddenly, a boy said. When he said this, he deliberately aimed his eyes at the forest. Ming it.

When other people heard the name Zhang Yaodong, their eyes were a little light, especially those girls, they were even more looking forward to it.

“Ah, is Zhang Yaodong coming over too?”

“This is too sudden, why don’t you say hello in advance, because I don’t even have to wear my most beautiful suit.”

“Zhang Yaodong is the male god of our class. I haven’t seen him for a long time. I heard that after graduation, he set up a company and made a fortune.”

“That’s not it. Now Zhang Yaodong is a successful person. We can’t call him by his name anymore. We want to call him Mr. Zhang.”

Many people began to slap Zhang Yaodong’s flattery.

Zhang Yaodong, but a legend in their class, not only looks handsome, but also has money in the family. He is the prince charming in many girls’

hearts. Many girls present wanted to pursue Zhang Yaodong before. It's a pity that Zhang Yaodong didn't see them, so he liked Chu Fei.

Now that Zhang Yaodong was about to come over, they were all excited one by one, and they started to organize their appearance unconsciously. Some people even made up on the spot to show Zhang Yaodong the most beautiful side.

When Chu Fei heard the name Zhang Yaodong, she immediately frowned, flashed some disgust and rejection, holding Lin Ziming's hand under the table, and said softly: "Or let's go back first. I don't want to see Zhang Yaodong. ."

Indeed, since experiencing that incident, she has been particularly annoying to Zhang Yaodong, and she doesn't even have the idea of meeting each other!

Lin Ziming didn't know Chu Fei's thoughts. He patted Chu Fei's hand lightly, and said with a smile: "It's okay, this is your university party, don't affect your mood because of Zhang Yaodong."
