

Chapter: 581

Tao Sanniang continued: "In addition to Gu Hanxing, the person you have to watch out for is Gu Xuan. This talent is a real powerhouse. Especially the Beitianhui behind him is even more powerful and changeable."

Lin Ziming nodded and was silent for a moment. He suddenly said, "How does the Northern Sky Club compare to the Luo Tian organization?"

After speaking, Lin Ziming stared at Tao Sanniang closely, hoping to see any clues about Luo Tian organization from Tao Sanniang!

However, Tao Sanniang showed a confused look, and said doubtfully: "Luo Tian Organization? What kind of power is it? Haven't heard of it."

Now it was Lin Ziming's turn to be surprised, Tao Sanniang, as the senior member of the Yuntian Pavilion, actually didn't know the Luo Tian organization?

If it hadn't been for Lin Ziming that she had been staring at Tao Sanniang closely, and if she didn't let any change in her eyes, he would suspect Tao Sanniang was lying to him.

Facts have proved that Tao Sanniang really doesn't know Luo Tian organization.

In this way, the Luo Tian organization is really a powerful and extremely mysterious force!

No wonder the clown tried so hard to prevent him from getting trouble with Luo Tian's organization at this time. No wonder Lu Dongbin showed that kind of posture of watching sentient beings and calling himself a god.

"Nothing, just talk casually." Lin Ziming stalled.

Tao Sanniang looked at him strangely and thought it was Lin Ziming who was teasing her. She had been in this circle for so long, and she had never heard of the Luo Tian organization as a force. It sounded very low (low level).).

"Anyway, you have to be careful, and you must beware, otherwise you will easily suffer the poisonous hands of the Gu family and sons." Tao Sanniang said.

Lin Ziming showed a puzzled expression and said: "Tao Sanniang, I am not relatives to you, why do you want to remind me that I am not afraid that I will be troubled by Gu's father and sons?"

This is something Lin Ziming is very curious about. He and Tao Sanniang have only met twice this time. They are not even friends. Why should Tao Sanniang come to remind him?

Lin Ziming didn't believe that people like Tao Sanniang would like him. This is nonsense. What kind of man has Tao Sanniang's level of woman ever seen? Besides, Tao Sanniang can climb to this position, indicating that Tao Sanniang has outstanding ability and outstanding thinking. It is not those young ignorant girls who casually swear to each other to live or die.

But in fact, Tao Sanniang specifically reminded him that there was only one reason, and that was that he was valuable to Yuntian Pavilion.

Tao Sanniang blinked and said with a smile: “Shao Lin, don’t you think this question is a bit redundant? Sanniang, don’t you know what I am? I hate it.” Speaking of Tao Sanniang poked Lin Ziming’s chest, Lin Ziming gave a shock all over her body, and quickly said: “It’s OK, Sanniang Tao, you don’t have to pretend it anymore. I owe you Yuntian Pavilion a favor for this matter. ”

Tao Sanniang said: “What does it mean to owe Yuntian Pavilion a favor? It is Tao Sanniang’s favor to me, and it has nothing to do with Yuntian Pavilion. Also, I have helped you like this, don’t you show it?”

Lin Ziming said vigilantly: “What do you want to express?”

“For example, invite me to dinner, watch a movie, develop and develop...”
“Farewell!”

Lin Ziming turned around and left without waiting for her to finish.

Tao Sanniang stomped her feet, trying to catch up, but found that she was wearing high heels, which was not convenient for running, so she could only watch Lin Ziming disappear from her sight.

Suddenly she thought of something and patted her forehead, “Bad thing, even his contact information is not available. It’s a failure.”
