

Chapter: 586

Wang Shougui still wanted to dissuade Lin Ziming, but seeing that Lin Ziming had made up his mind, he couldn't speak any more. As a subordinate, his obligations had been fulfilled, and he still knew how to advance and retreat.

"North Sky Club, North Sky Club, I hope you won't disappoint me."

After Wang Shougui left, Lin Ziming muttered to himself while looking at the information on the Beitianhui, with a flicker in his eyes.

.....
Qin Yao's mood has been very depressed recently, and she is listless in everything.

She has been in Ziqiong Media for half a year, but the number of times she saw Lin Ziming can be counted with one hand, even if she was promoted in half a year based on her beauty and ability, Two wages, but this is far from her goal. She came to Ziqiong Media to hook up with Lin Ziming!

As a result, after she came in, it was hard to even see Lin Ziming's face. How could she hook up with Lin Ziming.

Especially when she later inquired that Chu Fei had already become the chairman of Shengke Lighting, her psychology became even more unbalanced. Why, she was the first to discover Lin Ziming's identity, so why was the person who was favored by Lin Ziming was Chu Fei? This is not fair!

She was very unwilling to see Lin Ziming once. She didn't believe that Lin Ziming could not be conquered by her beauty and figure. You must know that she has been employed by Zi Qiong for half a month, and there are no fewer than a hundred men who pursue her.

When Qin Yao came out of Ziqiong Building, she saw a man dressed in old fashioned clothes sitting on the stairs with a big steamed bun in his mouth and chewing on it, an image of a bun.

When she saw her appear, she stood up and ran over excitedly. With a very happy look, she ran to Qin Yao and said, "Cousin, you are off work, I will take you home."

When Qin Yao saw him, her face suddenly changed, and she frowned, "Why are you here again? Didn't I tell you not to pick me up? Did you take my words as the wind?"

The soil bun scratched his head and said, "Cousin, don't be so fierce to me. I don't care about you. Before entering the city, my aunt told me to protect you. Now there are many perverts outside. I'm afraid you will be bullied. "

There were four female colleagues next to Qin Yao, and they laughed immediately when they heard this. They smiled and said, "Qin Yao, you see how much your cousin cares about you, and you are afraid that you will be bullied by a pervert."

“Yeah, it’s so touching, my boyfriend is full of energy.”

“Qin Yao, you have a good cousin, but the clothes are rather strange, like a bun.”

“You speak carefully. Qin Yao’s cousin is still a master of martial arts. Be careful to beat you up.”

These female classmates were playing Qin Yao’s jokes, which made Qin Yao’s face even more ugly, and even more disgusted with her cousin Xu Hua, and the expression on her face was even more embarrassing, “How many times have you told you Don’t follow me, you must not listen to me, you are so annoying!”

Xu Hua was stunned on the spot, showing an incredible expression, “Cousin, you have never scolded me like this, do you have a man outside, so you are impatient with me.”

Xu Hua was extremely frustrated and angry. He clenched his fists and made a loud noise. He looked terrified and scared several female colleagues back quickly, for fear of being beaten by Xu Hua. You know, two days ago, a male colleague sent Qin Yao to dinner, and he was beaten by Xu Hua.

Qin Yao became even more disgusted when he saw him like this, and said, “Yes, I have a sweetheart. I won’t be able to like you in this life. Give up!”

Xu Hua’s eyes flushed red, his fists clenched tighter, and he stared at Qin Yao tightly. The whole person was on the verge of rage. He looked very scary. He said word by word: “Who is that man? ,tell me!”

Qin Yao wouldn’t pay attention to him, cursed a neurosis, and then planned to bypass Xu Hua and leave. However, at this moment, Qin Yao saw a group of people walking out of Ziqiong Mansion, her eyes widened suddenly, showing an expression of excitement, walked quickly over, and shouted, “Lin Ziming, I Finally waiting for you!”
