

Chapter: 587

Lin Ziming, who was walking out with Wang Shougui and other senior executives of the company, heard Qin Yao's yelling and was taken aback for a moment. He almost forgot Qin Yao.

It's just off work now. Many employees are here. Hearing Qin Yao's screams, their attention is paid, especially when they see Wang Shougui and other high-level managers, they are even more shocked.

Qin Yao saw Lin Ziming, and her mood instantly became beautiful. Just now because of Xu Hua's irritability, she disappeared cleanly. She walked up to Lin Ziming as quickly as possible. Lin Ziming saw that, but she I found myself speechless, my heart beating very fast, and I was very nervous. Wang Shougui frowned immediately and said dissatisfiedly: "Which department employee is this, so there are no rules."

"President Wang, I'm sorry, this is my subordinate, I will teach her right away!" A middle-aged man on the side immediately scolded angrily: "Qin Yao! What are you doing here, who will let you block the chairman? On the road, get out of me!"

"Manager, I..." Qin Yao became even more nervous. She didn't realize until she got here that she was impulsive and made a big mistake.

There are also many people around who know Qin Yao. They all think that Qin Yao is crazy and dare to block the chairman's way. Good deed, these few people are all high-ranking members of Ziqiong Media. A Wang Shougui is enough to be awesome.

"Quickly get out of me." Qin Yao's manager stared at Qin Yao fiercely, full of threats.

Qin Yao bit her lip tightly, she finally met Lin Ziming, and now let her leave, it is really unwilling to let her go. I missed it this time, and I don't know when I will meet it next time!

But if she doesn't leave, she is likely to lose her job. For a while, she feels aggrieved, her nose becomes sore, and her eyes are red.

At this moment, a loud and angry voice sounded from behind, "You must not bully my cousin!"

Immediately afterwards, a tall and burly man rushed over, shielded Qin Yao behind him, put on a Bajiquan posture, and stared at Lin Ziming hostilely.

A suffocation emanated from him, and everyone in Wang Shougui was startled. They backed two steps and kept their distance. Only Lin Ziming was moving, standing still, staring at Xu Hua with interest.

Lin Ziming actually noticed Xu Hua just now, knowing that Xu Hua is a master and a master at the realm of masters, and ordinary bodyguards are not Xu Hua's opponents. It just so happened that Lin Ziming wanted to open a security company now, so he had the heart to take it.

Wang Shougui and the others are angry. This is the site of Ziqiong Media.

They are all big bosses worth tens of millions of billions. They were threatened by a hillbilly. This is a great offense to them!

“Unreasonable! Where did the local ruffian dare to stray in Ziqiong? The security guards, where did they die, arrest the ruffian and send it to the police station!” Wang Shougui cursed loudly.

Qin Yao panicked immediately after hearing this, and quickly nodded and bowed to apologize: “Sorry, I’m sorry, leaders, it’s mine. He is my cousin. He is from the country and his brain is not normal. I hope that the leaders don’t have the same knowledge as him. , Please.”

“Hmph, you can explain it to the police!” Wang Shougui was very angry. The main Lin Ziming was here, and there was such a thing, wasn’t he hitting him in the face.

Qin Yao was so anxious that she was about to cry.

At this moment, Lin Ziming raised his hand and said lightly: “Wait a minute.”

“Chairman...” Wang Shougui said hastily.

Lin Ziming paid no attention to him, but walked up to Xu Hua, smiled and said, “You have practiced Bajiquan well, are you interested in doing it with me? I can sign a contract with you, with an annual salary of no less than two. One hundred thousand.”
