

Chapter: 588

Following Lin Ziming's words, it caused an uproar!

With an annual salary of 200,000 yuan, many white-collar workers in Huacheng do not have this income. Does Qin Yao, a cousin of the hillbilly, have this value?

Including Qin Yao, they all opened their mouths and reacted dumbfounded. She even thought that she had hallucinations, that someone like Xu Hua would actually be hired by Lin Ziming with an annual salary of 200,000? You know she doesn't have an annual salary of 200,000 yuan in Zi Qiong. Besides, what did Lin Ziming ask Xu Hua to do, do you want to be a thug? Xu Hua had no other use besides being able to fight.

Wang Shougui was the quickest to react first. He was taken aback first, and immediately understood what Lin Ziming meant.

Xu Hua also froze for a while, shook his head and said, "I'm taking care of my cousin, not to make two of you stinky money... Oh, cousin, why are you beating me?"

Qin Yao really wanted to give Xu Hua a kick. This wood, martial arts training, was so stupid, with an annual salary of 200,000 yuan, so many white-collar workers couldn't get this treatment.

"Stupid pig! You quickly agree, they are the chairman of Ziqiong Media, and he is willing to hire you, because you have accumulated virtue in your last life!" Qin Yao scolded angrily.

Xu Hua stubbornly said: "But I want to protect you, I promised my aunt."

Qin Yao was almost mad, and cursed: "Protect you, the ghost needs you to protect it!"

Lin Ziming saw that the two of them were wrangling there. He shook his head, and said, "Qin Yao, you can ask your cousin to think about it. I can give him three days. It's overdue." "

After speaking, Lin Ziming bypassed Qin Yao and Xu Hua and started to move forward. His time is precious and cannot be wasted on these little people. Several senior officials including Wang Shougui hurriedly followed. Qin Yao bit her lip tightly, she followed, and said to Lin Ziming: "Ziming, can you have a meal with me when you have time? I have a lot to say to you!"

Lin Ziming turned his head, looked at Qin Yao, shook his head and said, "I am empty."

Qin Yao's eyes dimmed instantly, and Xu Hua on the side said angrily: "Cousin, do you just like this guy!? Cousin, don't be sad, cousin will vent your anger for you!"

With that said, Xu Hua rolled up his sleeves and walked towards Lin Ziming with a murderous face, wanting to act on Lin Ziming.

Lin Ziming frowned. It wasn't that he was afraid of Xu Hua. With his

strength, a single finger could abuse Xu Hua to death. But as the chairman of the dignified Ziqiong, his status is so honorable. Fighting with a martial artist on the street is really not decent.

When Wang Shougui and the others saw this scene, their scalp was going to numb with fright, and they hurriedly asked security to take Xu Hua down.

The atmosphere suddenly became tense.

“Xu Hua, if you dare to touch him, I won’t care about you for the rest of my life!” At this moment, Qin Yao broke out, gritted her teeth and cursed.

Xu Hua immediately panicked when he saw Qin Yao’s gritted teeth, and quickly distanced himself from Lin Ziming, “Cousin, don’t ignore me, I just want to avenge you.”

Qin Yao glared at him fiercely, and then apologized to Lin Ziming: “I’m sorry, I trouble you.”

Lin Ziming is not so stingy, he waved his hand and said, “It’s nothing, your cousin also cares about you.”

Qin Yao was very sad, she knew it now, and Lin Ziming was really not interested in her at all, which really hit her hard.

Then she took Xu Hua away, no matter how thick-skinned she was, she couldn’t be embarrassed to stay any longer, it was really shameful.
