

Chapter: 592

There were other people in the branch who heard the report from their subordinates, and they laughed and said: “Hahaha, a movie maker comes to visit the dock? I think it’s funny!”

“I’ve heard about Michelle Media. Entertainment companies have signed many celebrities. What’s the name of the martial arts celebrity that was very popular before? The Wing Chun performers have all gone to foreign countries. He doesn’t know. Bring these martial arts stars over to the pier.”

“Hahaha, don’t tell me, it’s really possible. These stars are going to kill all quarters in the movie, and they probably have confidence in themselves in reality, and they want to get a share of the security.”

“Then the relationship is good, I have been taught by anyone from all walks of life, and I haven’t played celebrities, but I have to see if these celebrities resist beating.”

“Lao Zhou, I advise you to stay a little longer, just put a hard punch, and you can’t beat these stars to death.”

“Hahahahaha...”

In the hall, it caused a wave of wanton ridicule.

It’s not that they are arrogant, but the fact is that they are all trained martial arts since childhood, with outstanding records, first-class masters, the last are masters, some of them are master masters, and they fight a few martial arts stars. There is no difference between adults bullying children.

They agreed that Lin Ziming and others were purely teasing with the idea of a cat playing with a mouse.

Lin Ziming and others walked in under such a mocking voice.

Since he broke through the innate realm, his sense of sensitivity has greatly improved, and he has heard the ridicule of these people as early as outside.

These ridicules didn’t cause any waves in his heart for him, and even thought he wanted to laugh.

But the group of people who came with him heard these ridicules, and they all became angry, especially Xu Hua. His anger came from the soles of his feet, and his hair was upright!

But when they came in, they saw Yan Chuang and the others in the room, and their anger was half suppressed. They immediately realized that these were strong people, not ordinary people.

“Mr. Yan, they are from Ziqiong Media. They said they are going to open a security company in Huacheng and come to visit the wharf.” The reporting staff then said to Wang Shougui, “This is Mr. Yan from the North Sky Club. , If you can get the consent of Mr. Yan, then you are eligible to open a security company in Hwaseong.”

Yan Chuang Jindao Damadi sat there, his figure is not particularly burly, he is about 1.75 meters tall, but he has a fierce appearance, with a thick beard

on his face, and his eyes are particularly big, piercing and piercing. Simply sitting there, the aura that exudes is very big, and you know it is a big brother at first glance.

He quickly scanned Lin Ziming's group of people, wanting to see if there were any real masters.

But he glanced around, and he found no masters worthy of fear. The most powerful, that is, the realm of masters, there is no need for him to act.

As for Lin Ziming, it was the lowest profile inside. His eyes didn't even stop on Lin Ziming, and he ignored him.

But he didn't know that when he was looking at others, Lin Ziming was also looking at him, and he could see that Yan Chuang was a master at the pinnacle of the acquired, that is, the realm of the master, and he was very strong, so he should have swallowed the marrow pill. Yes, it just doesn't survive.

It seems that the North Sky Club is indeed powerful, and the principal of a branch is the master master, not simple.
