

## Chapter: 607

These things must be told to Chu Fei so as not to worry Chu Fei.

Early the next morning, Lin Ziming went to the Ugly Master and asked straightforwardly: “Who is the neon clothes?”

Lin Ziming stared at Ugly Master’s eyes tightly.

Some surprise flashed in the eyes of the ugly master, Master Nishang went to find Lin Ziming?

“Master Nishang went to see you?” asked the ugly master.

When Lin Ziming heard this, he relaxed a lot. The Ugly Master’s posture shows that Nishang is not an enemy at least, “No, she went to Chu Fei.”

Chou Ye was surprised again, he said: “Master Nishang is the righteous daughter of the saint, and also your god-sister, and also a member of the Luo Tian organization.”

Lin Ziming quickly found the point. He said, “My mother sent her over? Where is she now, take me to see her.”

Chou Ye shook his head and said: “I don’t know where Master Nishang is. She comes and goes without a trace. I can’t control her.”

Lin Ziming frowned slightly, he could see that the Ugly Master was not lying, and he did not ask why he hadn’t notified him earlier that the neon clothes had come to him. Ugly could not be regarded as his loyal subordinate.

Then Lin Ziming didn’t ask too much about this, because he knew that it was not useful to ask. When the time came, this woman named Nishang would naturally appear.

But the ugly master asked first: “Master, did you go to the Beitianhui branch yesterday to play on the court?”

“Yes.” This is not a secret, and Lin Ziming has no need to conceal it.

The Ugly Master said: “That branch belongs to Gu Xuan’s territory. Yan Chuang is Gu Xuan’s subordinate. You are playing Gu Xuan in the face when you come to play like this. I believe Gu Xuan will come to you soon. .”

Lin Ziming shrugged and said indifferently, “Isn’t this what you have always wanted to see.”

The Ugly Master said solemnly: “The Beitianhui is not that easy to deal with, especially Gu Xuan is a martial artist who is so powerful and unfathomable. Many people have guessed that he has reached the innate state. Master, you still have to. Be careful.”

Feeling that the ugly master is caring for him, Lin Ziming also put aside his ridicule, nodded and said: “Don’t worry, I will be careful. But I guess, Gu Hanxing should be the kid who came to see me first. Tao Sanniang Tell me, Gu Hanxing has already taken that Yipin Xisui Pill, and now it may also be in the congenital realm.”

“Tao Sanniang?” The face of Ugly Master immediately showed a gossip expression.

Lin Ziming rolled his eyes and said, “Don’t guess, Tao Sanniang and I are innocent. We met by chance and she told me.”

However, the ugly master nodded, and said solemnly: “Tao Sanniang is a good woman, born with melodious bones. I heard that she practiced the Yin technique. She has not broken her body for many years. It’s even more supplementary. If the young master can double up with Tao Sanniang, the martial arts of the young master will be improved a lot.”

Lin Ziming almost kicked it over, cursing, “Shut up! What do you mean by me and her. Am I that kind of person? I’m fucking married.”

The ugly master said with a serious expression: “Master, I am serious, not kidding. Since ancient times, who is not a powerful man with three wives and four concubines. Master, you are the only son of the saint. You have a different talent. It is impossible to guard a woman for a lifetime.”

“Just tell me, I smoked you!” Lin Ziming stared, this clown is talking nonsense, Master, am I such a person? !

Ugly Lord shut up and said nothing more.

At the same time, on Gu Hanxing’s side, he was already at the Beitianhui branch. After listening to Yan Chuang’s explanation, he squinted his eyes and furiously. He slapped the table vigorously and smashed the table to pieces. Angrily scolded: “What a Lin Ziming, who is stubborn, dare to run to my site and run wild, I want him to die!!”
