

## Chapter: 617

This middle-aged man, Lin Ziming, has never seen him before, but he also knows who the other party is. He is Ouyang Feng's second son, named Ouyang Xuehai, who is also a figure in the business world.

Behind Ouyang Xuehai, he should also belong to Ouyang's family, and he also showed a friendly smile to Lin Ziming, appearing very enthusiastic. To be honest, this made Lin Ziming a bit confused by the second monk. According to reason, with the power of the Ouyang family, there is no need to be so enthusiastic about him.

Especially with the eyes of a noble lady who kept looking at him, how could her eyes feel like they were looking at her son-in-law, which was uncomfortable.

Could it be that Ouyang Feng called him here specially to marry him?

Soon Lin Ziming threw this idea out. It is no secret that he is the son-in-law of the Chu family in Huacheng. It is impossible not to know the information of the Ouyang family, so how could he have this idea? .

In any case, the one who has come will be safe, and when I see Ouyang Feng, I naturally know what is going on.

This manor of Ouyang's family was obviously specially designed by an expert, and the layout was particularly good. After walking in, I felt relaxed and comfortable, and my mind became active without knowing it.

After Lin Ziming reached the innate realm, he was particularly sensitive to the spiritual aura of heaven and earth. He immediately felt the aura in this manor, which was stronger than the outside, and every tree planted was connected, especially ingeniously, especially in the pool next to it, there is a group of arowanas, one of which is the king of arowanas. When Lin Ziming comes in, he will pop up and look at Lin Ziming for a few times. Lin Ziming looks over. At that time, I didn't feel scared either, and seemed to have a sense of wisdom.

Lin Ziming smiled and said: "Mr. Ouyang, your manor is surrounded by mountains and rivers. The layout is clever. It occupies the dragon veins of the entire hill, especially the pool next to it. It is the finishing touch. I don't know who designed it? "

Ouyang Xuehai flashed some surprises in his eyes and said: "Lin Dong actually knows feng shui. It is rare. Lin Dong said it is good. Our Ouyang family manor was designed by the famous feng shui master Chen Daoqing."

It turned out to be Chen Daoqing. No wonder it can be designed into such a good manor.

Lin Ziming has also heard of Chen Daoqing's reputation, and he is considered a big man in the Feng Shui world. He has designed Feng Shui for many high-ranking officials, and his reputation is particularly strong.

"Dong Lin is really young and promising. As far as I know, Dong Lin was

born in 1992. He is only 28 years old this year?” Ouyang Xuehai said with emotion: “At only 28 years old, he has such an achievement. He is very knowledgeable and talented. Not only do several companies thrive, but they also understand Feng Shui metaphysics. It is no exaggeration to say that Dong Lin, you are the most talented person I have ever met Ouyang Xuehai.”

Ouyang Xuehai’s evaluation of Lin Ziming is not low, and the eyes of the fellow Ouyang family members looking at Lin Ziming are even more different, especially the middle-aged lady Xie, looking at Lin Ziming more and more satisfied. .

Lin Ziming waved his hand and said, “Mr. Ouyang is too acclaimed. I’m just a little joke. I know a little about the fur. Compared with Mr. Ouyang, it is still far behind.

Ouyang Xuehai smiled, and suddenly said, “Dong Lin, I am a few years older than you. As soon as we see it, we shouldn’t be so happy. If you don’t mind, just call me Uncle Ouyang, my name is How are you, Ziming?”

Lin Ziming was stunned for a moment, and naturally he wouldn’t refuse, and said politely, “Hello, Uncle Ouyang.”

“Haha.” Ouyang Xuehai laughed happily, and pointed to the middle-aged lady next to her and said: “Ziming, this is your Aunt Guilan.”

Zhang Guilan showed a bright smile, walked out, and said enthusiastically: “Ziming, you are really a talent, so the more I look at it, the more satisfied auntie.”

Lin Ziming smiled awkwardly, and the bad premonition in his heart became stronger and stronger, and on the surface he also enthusiastically called auntie.

Several other people from Ouyang’s family also came to greet Lin Ziming, as much enthusiasm as they were.
