

Chapter: 621

Several bodyguards were frightened, and quickly came over to capture the three of Ouyang Junming.

This time Ouyang Junming was completely panicked, and quickly begged for mercy, “Grandpa, grandpa! I was wrong, grandpa! It’s my mistake, I don’t know that he is your distinguished guest, but I don’t know how to offend him, it’s him. Put all my hands...”

Snap!

He hadn’t finished speaking, so Ouyang Feng slapped him on the face with a slap in the face, very hard, and without mercy, swelling half of his face and bleeding from his mouth.

Ouyang Junming’s mother saw her son being beaten. She was heartbroken, but she didn’t dare to say a word of dissatisfaction. In this family, Ouyang Feng has absolute authority, and no one in Ouyang’s family dares to disobey. he.

“Things that are not useful! I don’t learn or know how to do it all day long. I only know how to be a fortune outside. You lose the face of my Ouyang family!” Ouyang Feng cursed angrily, with a loud voice, full of air, and big air In the villa, his voice echoed, making all the Ouyang family shiver, and for Ouyang Junming, it was extremely scared.

Then Ouyang Junkai and Ouyang Junlong didn’t wait for Ouyang Feng to make a move, so they obediently knelt down and admitted their mistakes. Don’t think they were so rebellious just now, they still didn’t dare to be demon in front of Ouyang’s cover.

Ouyang Fengzheng took care of them, but turned around and said apologetically to Lin Ziming: “Dong Lin, I’m really sorry, the old man, these three ineffective grandsons offended you, so please ask Lin Dong to be angry.”

Lin Ziming stood up immediately and said with a smile: “Old Mr. Ouyang is polite. It is normal for young people to be young and vigorous, so why should I be angry.”

Ouyang Feng looked at Lin Ziming, his eyes flashed with appreciation and emotion, and said, “Dong Lin, the old man taught Sun Wufang and offended Lin Dong. The three ineffective grandsons of the old man will be dealt with by Lin Dong, Lin Dong thought. Do whatever you want.”

When the three of Ouyang Junming heard this, they became even more frightened. They regretted it to the extreme now. Wan Wanzhen thought that Grandpa would be so cruel. If they fell into Lin Ziming’s hands, they wouldn’t be dead. .

Lin Ziming didn’t know that Ouyang Feng was doing this to give him face, and if he really didn’t know how to advance and retreat, he would offend Ouyang Feng.

He couldn't do such a stupid thing.

"Old Mr. Ouyang made a serious statement. In fact, Sun did not go too far. Besides, now that he has been disciplined as he deserves, I think it's almost all right." Lin Ziming said with a smile.

Ouyang Feng sighed and said, "Dong Lin, I think you are about the same age as my three ineffective grandchildren. Your ability and thinking are much better than them. If I had a grandson like you, I would laugh in my dreams. Wake up, you can also hand over your power with confidence."

Lin Ziming was stunned when he heard this. I was dizzy. What do you mean by this? Isn't you old man misleading!

Sure enough, after all the Ouyang family members present, their faces became more exciting. They all know that people like Ouyang Feng, what they say is purposeful and worthy of scrutiny.

As for Ouyang Junming and the three of them, their expressions were even more ugly, and they were extremely annoying and jealous of Lin Ziming.

Lin Ziming smiled faintly, without any response, he still doesn't know what Ouyang Feng is making, so he can't talk casually.

Seeing that Lin Ziming didn't speak, Ouyang Feng said directly to the three of Ouyang Junming, "You three don't hurry up and thank Master Lin Dong for not considering the villain's life, and not having common knowledge with you, otherwise the old man will interrupt the legs of the three of you!"

Even though the three of Ouyang Junming were unwilling to do so, they did not dare to disobey Ouyang Feng's will, and hurriedly came over to apologize to Lin Ziming.
