

Chapter: 624

“Why, you don’t want it?” Ouyang Feng asked with some displeasure when seeing his expression.

Lin Ziming smiled dryly: “Grandpa Ouyang, it’s true that I am already married, so I don’t have this blessing to marry your granddaughter.”

Isn’t it? It’s no secret that he is the son-in-law of the Chu family in Huacheng. How could Ouyang Feng not know. Now Ouyang Feng is still saying this, Lin Ziming seriously suspects that Ouyang Feng is teasing him.

Ouyang Feng was not surprised at all, and said, “I know, your wife is Chu Fei. She is Chu Guodong’s granddaughter and the chairman of Shengke Lighting. As far as I know, she can become the director of Shengke Lighting. It’s because of your support.”

“Grandpa Ouyang, since you already know, why do you still say that you want to marry me your granddaughter?” Lin Ziming said with a wry smile, his expression saying that you are not making me funny.

Ouyang Feng said, “Haha, Ziming, do you think Grandpa is joking with you?”

Lin Ziming rolled his eyes, and it was obvious, isn’t it?

Ouyang Feng laughed twice and said, “You may have misunderstood your grandfather. It is normal for a good man to have three wives and four concubines. Looking at the world, how many of the capable men guard a woman for a lifetime? There is no one! Grandpa didn’t even joked with you. You are the best young man your grandpa has ever seen. You should be born with three wives and four concubines, otherwise it would be too boring to stay with a woman all your life.”

Lin Ziming was stunned after hearing these words. He couldn’t believe it was Ouyang Feng who said it. Now in the 21st century, in a society under the rule of law, and not in the feudal era, how could it be possible to have three wives and four concubines. Besides, you, Ouyang Feng, are all over 80 years old. Is it appropriate to say that?

Facing Ouyang Feng’s words, Lin Ziming had to smile awkwardly and politely, and it was difficult to answer.

Ouyang Xuehai, who is making tea, said: “Ziming, you don’t have to worry about the conditions of the little girl. The little girl is a little more arrogant, but in terms of body shape, appearance, temperament, and self-cultivation, you will not be disappointed by Ziming.”

Sure enough, it is Ouyang Xuehai’s daughter. No wonder Zhang Guilan’s eyes were not right when she saw him just now. It was really the eyes of the mother-in-law looking at her son-in-law!

“Uncle Ouyang, I’m already married. If I marry Ling Ai, I would commit bigamy. This is not fair to Ling Ai. Surely Ling Ai is unwilling to marry a married man, right?” Lin Ziming thinks he has said enough. Euphemistically,

but also enough to understand.

Now he really doesn't understand what medicine Ouyang's gourd sells, so he actually proposes to marry him at this time, is it playing with him?

Ouyang Xuehai shook his head and said, "As long as Ziming you nod, you can contribute to this marriage. We don't need you to be a parent, just be my normal son-in-law of Ouyang's family. This matter is for Ziming, Baiyi And there is no harm. Besides, as long as Ziming you marry my daughter, with my backer of Ouyang's family, Beitianhui will definitely not dare to trouble you any more."

This sounds really tempting. For Lin Ziming, there are only advantages and no disadvantages. Anyone with normal intelligence knows how to choose. But Lin Ziming knew that what Ouyang's family did was definitely not as simple as the surface, and there must be more in-depth implications.

Lin Ziming thought for a while and said, "It is indeed very tempting to listen. I have taken all the advantages. However, Grandpa Ouyang and Uncle Ouyang, you may not know me very well. I am a person who does not like taking goodbye. People are cheap, so I'm still embarrassed, I can't agree to this marriage."

Ouyang Feng and Ouyang Xuehai looked at each other, and then Ouyang Xuehai said: "Ziming, I know I can't hide anything from you. At your age, there is such an achievement, and there is no one in such a realm!"

Lin Ziming just smiled slightly, noncommittal.

Then Ouyang Xuehai said again: "Ziming, what you said is right. At this point, we don't keep it from you. Our Ouyang family wants to marry you. It is indeed a plan. It is not harmful to you. We I have taken a fancy to you, a person like you, at only twenty-eight years old, has reached the innate state, which is rare in the world. Don't be afraid to tell you the truth, don't look at our Ouyang family's beautiful scenery, in fact, innate. There are no masters in the realm."

Lin Ziming fell silent after listening. He was thinking about the truthfulness of Ouyang Xuehai's words. Logically speaking, a business family like the Ouyang family has a very strong relationship, even if there is no congenital realm in the family. There is no effect.
