

Chapter: 627

“Is the Innate Realm really that strong?” Ouyang Xuehai expressed doubts, “If it is so strong, why would Lin Ziming do such a stupid thing that offends Beitian Society?”

Ouyang Feng immediately replied: “Idiot! Offending Beitian Society is a stupid thing. Beitian Society is just a stepping stone for Lin Ziming, not a threat to Lin Ziming. Lin Ziming is now in a congenial realm, his IQ and the brain’s computing power is far superior to ordinary people, and the consequences have been counted in. Beitian will be unable to help him.”

Suddenly waving his hand, Ouyang Feng said impatiently: “Don’t say this, Lin Ziming must be recruited. If I guess correctly, the Situ family and Shangguan family may also recruit Lin Ziming next. We need to move faster. Yanran, you have to convince her as soon as possible, try to match the two of them, it is better to be able to cook the rice and cook mature rice, then it will be more secure.”

“Yes, father!” Ouyang Xuehai nodded vigorously and followed Ouyang Feng’s order. Now that he knows Lin Ziming’s greatness, he has nothing to worry about.

On the second day, Lin Ziming continued to train those bodyguards. Under his devil training, they got a huge improvement, especially for Xu Hua, which benefited a lot. Now his martial arts has improved a lot and he has already touched him. It’s the threshold of the day after tomorrow’s peak, which makes him very excited.

The more his strength improved, the more he felt the terrifying aspects of Lin Ziming, which was simply unfathomable. As long as he was in front of Qin Yao, he kept saying good things about Lin Ziming and tried his best to bring Qin Yao to chase Lin Ziming.

Qin Yao thought Xu Hua was yin and yang weird at first, so she gave Xu Hua a hard time. After listening to more, she realized that Xu Hua was not yin and yang weird at all, but really worshiped Lin Ziming. This made her even more annoyed and bitter. If I could catch up with Lin Ziming, I would be special. Why would you teach me? !

She felt that she was suffering from lovesickness. Every day, she was thinking about Lin Ziming crazily. In her dream, she didn’t know how many times she had conquered Lin Ziming.

Later, she went to chat with Chu Fei and found that Chu Fei and Lin Ziming were reconciled as before. When Chu Fei mentioned Lin Ziming, the smile at the corners of her mouth could not be covered, and she knew that Chu Fei and Lin Ziming had already broken through. At that level of relationship, she knew even more that her hopes were slim.

Time passed quickly, and another week passed in a blink of an eye. Lin Ziming trained the group of bodyguards to the point where they were ready

for work. He began to announce the establishment of a new company and cut the ribbon.

.....

Gu Hanxing has been very depressed recently. Since meeting Lin Ziming that day, he has always wanted to trouble Lin Ziming, but Lin Ziming shrank like a tortoise. He still had no way to find Lin Ziming and wanted to pass. Commercial methods were used to suppress Lin Ziming, but he didn't have this ability, but he couldn't hold him back.

Originally, he wanted to threaten Lin Ziming through the people around Lin Ziming, but was stopped by his father Gu Xuan. If this were passed on, it would be bad for the reputation of the Beitian Association.

He is impatient, holding his breath like this, unable to release it, how can he stand it, he doesn't know how many sandbags have exploded!

Now he has touched the threshold of the innate realm. After a month, as long as he digests the remaining effects of the medicine in his body, he will definitely be able to break through the realm.

But if he had to wait for a month, he really couldn't wait.

Finally, on this day, he heard a good message.

Lin Ziming's newly established security company is about to be established. The ribbon-cutting ceremony will be held today. Lin Ziming will also show up at that time. He immediately cheered up and laughed. This is a good time for him to take revenge!

It is conceivable that at the ribbon-cutting ceremony of Lin Ziming's new company, he suddenly appeared to kick the hall and beat everyone under Lin Ziming's company. Will Lin Ziming's company still open?
