

Chapter: 629

Fortunately, there is an important meeting to be held in Chu Fei's company today, and no one will come over, otherwise he will be finished.

Guo Junyi also walked up and gave Lin Ziming a gift, and stared straight into Lin Ziming's eyes, and said: "Ziming, you have opened a new company again. I wish you a prosperous business and a better life."

"Thank you." Lin Ziming accepted the gift from Guo Junyi, but when he went to pick it up, Guo Junyi was not honest, and deliberately drew a circle on his hand, and cast a wink at Lin Ziming, especially Don't be ambiguous, let Lin Ziming's heart shake, and quickly coughed twice to cover up the past. Next, many other people gave Lin Ziming gifts and congratulations. The atmosphere was very warm and the scene was very big. The surrounding area was full of luxury cars, which attracted the attention of many citizens.

Then, a figure appeared on the scene, which immediately attracted the attention of many people!

It's no one, it's the Tao Sanniang from Yuntian Pavilion.

Today, she is obviously wearing a dress that is very common for urban women, and it is wrapped tightly. There is no leakage, but she still can't cover her sexy, seductive femininity. Her appearance, she immediately stopped the scene. The eyes of the middle-aged men were attracted to the past, and many people with poor concentration have their eyes straightened.

Tao Sanniang did not come by herself, and there are a few of her bodyguards. She has a faint smile on her face. She has a pair of peach eyes that seem to be able to talk. She smiles and exudes a great deal from every move. Her charm, mercilessly harvesting the eyes and lust of the men present.

Lin Ziming was stunned when he saw her. She didn't think she was coming too. She is a member of Yuntian Pavilion. In a sense, it represents the will of Yuntian Pavilion. He came here on the day when his new company opened and cut the ribbon. Didn't you think that Yuntian Pavilion was going to be on his side?

In a short while, Tao Sanniang came over, and she showed a strong and charming smile. With her smile, the temperature of the scene rose by several degrees!

Those men looked straighter, including many of Lin Ziming's bodyguards, who also had a lot of shortness of breath. Xu Hua was simply dumbfounded, and his eyes would not move.

Lin Ziming has met her twice, and it is considered that he has experienced her charming technique. In addition, he is now in the realm of innate realm, so he has a high defense against Tao Sanniang's charming technique, and he did not have any gaffes. .

"Dong Lin, Yuntian Pavilion Tao Sanniang, I wish your business more and

more prosperous, more and more prosperous, and I also wish Lin Dong step by step, surrounded by beautiful women, and peach blossoms.” Tao Sanniang personally gave Lin Ziming a gift, and He also blinked at Lin Ziming, full of teasing and temptation.

Even if Lin Ziming’s concentration is very good, he can’t help but shake his heart fiercely, ripples, and he whispers a goblin in his heart!

After a few days, Tao Sanniang’s charm skills have become even more powerful. I don’t know how many men are going to be fascinated by her.

There shouldn’t be such a woman in this world, it’s too torturous.

Lin Ziming kept the gentleman’s smile on his face, accepted Tao Sanniang’s gift, and said, “Thank you Yuntian Pavilion.”

Tao Sanniang showed a faint resentment, and said: “Is it enough to thank Yuntian Pavilion? Don’t you thank others?”

When she said this, especially the bitter look in her eyes, it made many people around her stare, and she felt pity for her, and at the same time she was inexplicably hostile to Lin Ziming.

Lin Ziming’s face became colder, Tao Sanniang, this fellow is too much, on his opening day, give him this hand.

He coughed a little bit harder, and immediately let the men around him who were addicted to get in, immediately clear his eyes, as if he was drinking.

I have to sigh, Tao Sanniang’s charm technique is too powerful, and it has reached the point where it can charm all living beings!
