

Chapter: 632

What is arrogant, what is domineering, and what is arrogant, Gu Hanxing now perfectly interprets this.

Today is the big day for the opening of Lin Ziming's new company. Someone came to the scene like this, which shocked everyone, and then there was a lively discussion in the audience.

"Damn, who is this group of people? You are too courageous, so you dare to go to someone else's opening ceremony and hit the ground. Isn't he afraid of death? Anyway, Lin Dong is also the chairman of Ziqiong Media!"

"It's still the owner behind Tengyue Advertising Company, with a net worth of over 10 billion and his energy is huge. He dares to make trouble on the opening day of Lin Dongxin's company. I think this person is looking for death!"

"Huh, you don't understand this. This young man is called Gu Hanxing, but he is a member of the North Sky Club. His father is the vice president of the North Sky Club Gu Xuan! His identity is higher than that of Lin Ziming. You think he will be looking for death?"

One person said disdainfully, full of confidence in Gu Hanxing, but a little dismissive of Lin Ziming.

When other people heard that Gu Hanxing was a member of the North Sky Club, their expressions suddenly changed. In Huacheng, there were few people who didn't know about the North Sky Club. Especially in the upper class, they were even more familiar with the name of the North Sky Club!

There is a saying that in Huacheng, the real scary person is not the Ugly Lord, nor the Lin Family, but the Beitianhui, Gu Xuan! And Gu Hanxing is Gu Xuan's own son, the weight can be imagined.

The Northern Sky Society is very powerful in the south, far from being comparable to that of upstarts like Lin Ziming.

Wrong, in the eyes of most people, Lin Ziming is an upstart, while Beitian Club is a veteran and powerful, and his strength is not on the same level.

As a result, many people started to cheer up. They all thought of coming to Lin Ziming's opening ceremony, and they would encounter such things. This is a good show.

Some people also questioned, "No, even if Gu Hanxing is a member of the Beitian Society, why should he come to Lin Ziming's troubles in a good manner? Anyway, Lin Ziming is also a boss. No matter how rampant the Beitian Society is, he can't just look for Lin Ziming. Trouble?"

"You don't know about that. Gu Hanxing and Lin Ziming have a grievance. The last time they were at Yuntian Pavilion, they almost fought."

"There is such a thing? You saw it with your own eyes!"

"That's not true. I heard a good friend tell me. I was still suspicious before. From this situation, there must be a lot of enmity between the two of them!"

Gu Hanxing's arrival can be said to have ignited the atmosphere of the audience all at once. The scene that had been tumbling suddenly became much quieter. Everyone looked at Lin Ziming to see what Lin Ziming would do.

Most people will definitely get furious when encountering this situation, and they will even be in a hurry.

Guo Junyi stood up worriedly, Guo Yuanjia quickly grabbed her, and his eyes beckoned her not to act rashly. Gu Hanxing is not an ordinary dude, and once provoked, the Guo family can't bear the anger at all.

Tao Sanniang squinted her eyes slightly, the expression on her face watching the play, not too hot at all.

Wang Shougui was very angry and flustered. He knew how difficult it would be to deal with the northern sky behind Gu Hanxing, and now he can only count on Lin Ziming to deal with it.

The expression on Lin Ziming's face has not changed. He looked at Gu Hanxing faintly, and said, "Gu Hanxing, it's not up to you whether I'm worthy or not, let alone your old man. Now please compensate me for my loss immediately, otherwise I Will call the police."
