

## Chapter: 633

Gu Hanxing began to laugh. He thought that Lin Ziming was embarrassed, and he even said it to the police. At his level, the police solved the struggle! He stepped forward and pulled closer to Lin Ziming with an arrogant expression. He stared at Lin Ziming closely, and said provocatively: “Lin Ziming, do you still want me to compensate? A joke! I have Gu Hanxing here today, yours. Don’t even think about driving the shit stuff!”

Lin Ziming also narrowed his eyes, and the atmosphere suddenly became tense.

Lin Ziming smiled suddenly, “Since this is the case, then I can only call the police and let the law punish thugs like you.”

Then he signaled Wang Shougui to call the police.

Everyone thought that Lin Ziming was a cowardly performance. Gu Hanxing had already hit the door, and he didn’t save Lin Ziming at all. However, Lin Ziming didn’t respond strongly, but appeared very cowardly, and he had to call the police to deal with it.

Please, has reached this level of struggle, is it useful to call the police?

Gu Hanxing laughed even more arrogantly. He felt that his goal had been half achieved. Lin Ziming must have not reached the innate realm, so he didn’t dare to face him head-on.

But this is not good enough, he still wants to insult Lin Ziming into the dust! So he arrogantly said: “Lin Ziming, don’t you want to open a security company, okay, I challenge you now! See if your bodyguards are really capable and can protect your employers. If you can’t beat them, then don’t talk about opening a security company, so you don’t have to smash the jobs of our industry!”

This is a direct tactic. If Lin Ziming is afraid to fight, then he doesn’t have to go on in this line. Even his reputation will be greatly affected!

It can be said that Gu Hanxing directly forced him to the edge of the cliff. He should not fight and he must fight.

In fact, Lin Ziming was also waiting for his words. Gu Hanxing himself came to hit the scene today, as he expected, it was a good thing for him, and he could help him publicize it for free.

“Are you sure?” Lin Ziming said, “You are not my opponent. If you lose to me, you will be ashamed of Beitian. You have to think clearly about this matter.”

“Hahaha, the big joke, I will lose to you? You are afraid that you are living in a dream!” Gu Hanxing laughed, and there was no wind and waves, a powerful momentum emanating from him, sweeping the audience.

Feeling his aura, Lin Ziming’s expression became more solemn, and he couldn’t tell that Gu Hanxing’s strength had reached this level. In time, he might have to break through to the innate realm.

“Okay, how do you want to compare?” Lin Ziming asked.

Gu Hanxing straightened his back with a wild and evil smile on his face. He pointed to the group of bodyguards behind Lin Ziming and said: “Don’t be so troublesome. All the bodyguards in your company will go together. I will single out all the bodyguards in your company. Bodyguard, if I can’t resolve the battle within three minutes, even if I lose.”

When these words were said, there was an uproar immediately, and they were shocked by Gu Hanxing’s pride!

You know, there are at least 30 bodyguards behind Lin Ziming. They are all professional bodyguards who have received professional training. They are strong in their own right. Now Gu Hanxing has to challenge so many people alone? Go crazy!
