

## Chapter: 637

“puff!!!”

When Gu Hanxing heard this, blood spurted out again.

He is really going crazy, endless anger, regret, regret, fear, all condensed in his heart!

“Lin Ziming, you, you, you...” He stared at Lin Ziming with trembling fingers, speechless, and now he was really terrified of Lin Ziming. Because he had also taken Xisui Pill, he understood how intense the pain was! Even people like him and his father Gu Xuan didn't survive, but Lin Ziming managed to survive on his own?

Monster, definitely a monster!

Lin Ziming kicked him away, and then said coldly: “Go away, you are not allowed to show up in front of me in the future, otherwise, I will see you once!”

Gu Hanxing clenched his teeth and shivered. He was just a clown, and he was extremely embarrassed.

He couldn't get up by himself, and finally stood up in front of the support of the two men. He stared at Lin Ziming, trying to say something cruel, but he couldn't say anything.

The fall of Lin Ziming just now shattered all his pride and arrogance!

Now when he saw Lin Ziming, he had a kind of awe and fear in his bones. Lin Ziming's strength had exceeded his understanding and surpassed his imagination.

At exactly this moment, all kinds of ridicule sounded around him, which made him even more uncomfortable.

“Thank you, I thought how good he was. I swaggered to the opening ceremony and hit the place. The result was a waste of wood. Even Lin Dong couldn't catch a punch, and it was too useless.”

“That's right. With this strength, I really don't know where the courage comes from. He just came to Lin Dong to make troubles, and he uttered wild words, saying that he would single out more than 30 bodyguards. What a fool. Hahahaha...”

“I heard that it is still from the Beitian Club. Is this the strength of the Beitian Club? It's too useless.”

“The North Sky Club is still a bit strong. I think it's just him, a clown. You look at him like this, you will be beaten and cry by Lin Dong. It's too miserable, hahaha...”

“I'm really crying. I think this kind of person should go back to her mother as soon as possible, so as to avoid embarrassment.”

A sound of ridicule kept coming to Gu Hanxing's ears, and it really made him feel extremely uncomfortable. He wanted to get angry, but he couldn't make it. In fact, he lost his face too badly today, a hundred times more

serious than he was in Yuntian Pavilion before!

No matter how he accepted this with his arrogant character, he was really stretched right now, his nose was sour, and he cried.

Everyone ridiculed him even more when they saw him crying.

Even Tao Sanniang couldn't help but laugh when she saw it, and at the same time, the look in Lin Ziming's eyes became more profound and fiery...
