

Chapter: 639

Lin Ziming's guess was correct. Nishang had indeed been looking at him from behind, hiding in the crowd, and even Lin Ziming could not find her out of her innate realm.

Soon, a black BMW 750 drove over and stopped beside her. A black suit bodyguard came out of the co-pilot and opened the door for her. She sat in and the ugly man was inside.

"Take me to the Beitian Meeting." Nishang said lightly.

The Ugly Master was obviously taken aback, and asked: "Master Nishang, are you sure you are going to the Beitian Meeting?"

Nishang's face was cold and there was no expression on it. It was particularly mysterious and powerful. He was full of aura. The Ugly Master was sitting next to her. He obviously felt that the air seemed to be thicker and he could not breathe smoothly.

"Not bad." Nishang nodded faintly.

Chou Ye confirmed that he was full of doubts, but he didn't dare to ask. He told the driver an address and asked the driver to drive over. It was the headquarters of the North Sky Club.

After being silent for a while, the ugly master put his posture very low, and said humbly: "Young master is a bit reckless this time. He has branded Gu Hanxing like this. With the character of Beitianhui, he definitely won't let him go! The president of the North Sky Club, Shentu Zaitian's martial arts has reached the middle level of the innate realm, and he is about to enter the high level! With the current strength of the young master, he is far from Shentu Zaitian's opponent."

Ugly Master had obvious concerns in his tone. He was not there just now, but he saw what happened. From the bottom of his heart, he thought that Lin Ziming would have done something a bit too much, and he didn't leave a way out for himself.

It is true that Gu Hanxing came to hit the scene first, and Lin Ziming was passive, but Lin Ziming didn't have to make such a heavy shot, so he broke Gu Hanxing's "foundation" directly. If Gu Xuan knew about this, he would definitely not. Easily let go of Lin Ziming!

For a long time, he admired Lin Ziming very much, and felt that Lin Ziming was very prudent in doing things, which made him feel relieved, but this time, he felt that Lin Ziming was a bit overdone and not safe enough. In other words, Lin Ziming still hasn't grown to that point.

However, Nishang said: "You are wrong, brother Ziming is very shrewd. He knows that I am behind and knows that I am behind him, and he will be fine. At the same time, he is also forcing me to appear. I have to say, I underestimated my aunt's son."

After listening to Ugly Lord, he was taken aback, and it took him a while to

react. Feelings are part of Lin Ziming's strategy!

"Master, he is getting more and more sophisticated..." The Ugly Master had to express such emotion.

Nishang said: "This is a good thing. Only a cautious and steady person can survive for a long time in this era of swords, lights and shadows. It seems that it is almost time for me and brother Ziming to meet..."

After saying this, Neishang closed his eyes and said no more.

On Lin Ziming's side, his gaze was withdrawn from the black BMW 750. He couldn't find the smell of neon clothes, but it didn't mean that he couldn't find the smell of the ugly master either. Unfortunately, he was still a step slower, he didn't seem to see the neon clothes clearly.
