

Chapter: 642

Gu Xuan did not take Lin Ziming seriously at the beginning. In his opinion, Lin Ziming was just a kid, no matter how amazing, he was just an ordinary person at the pinnacle of the day after tomorrow. Before his veteran innate realm, it was just a stronger ant.

As for Lin Ziming's auction of the best cleansing pill at the Yuntian Pavilion, he didn't take it too seriously. It is true that the best cleansing pill is indeed very precious, much more precious than the first class cleansing pill. But that is also based on the user's strong willpower, which can withstand the terrifying efficacy of the best-quality Xisui Pill and succeed to the innate realm.

He also took the best cleansing pill more than ten years ago, and he knew that the painful torture was simply beyond the reach of humans.

If you only rely on yourself, it is impossible to stand firm, you must have a super master protector above the middle level of the innate realm before you can stand up and break through.

And Lin Ziming obviously does not have this level of innate realm master guard, how can I break through to the innate realm.

So he didn't worry about Lin Ziming at all, and let Gu Hanxing go to fight with Lin Ziming, treating Lin Ziming as Gu Hanxing's sparring.

But he never thought that Lin Ziming actually broke through the innate realm, defeated Gu Hanxing with a punch, and also broke Gu Hanxing's "foundation", breaking Gu Hanxing's hope of breaking through the innate realm!

This is ruining Gu Hanxing's whole person, this hatred is too great, it is simply not shared!

Gu Hanxing hugged Gu Xuan's thigh and kept crying. Seeing Gu Xuan's anger became even greater, "Son, you don't need to cry, Dad will take revenge himself, twist off the head of this surname Lin, and make you a urinal. !"

An icy breath exuded from Gu Xuan, as if the surrounding air had solidified, and the people around him could not breathe smoothly.

"Dad, how are you going to take revenge? I think Lin Ziming has already broken through the innate realm and his strength is unfathomable. If you do it yourself, you may be risky." Gu Hanxing said worriedly. He now recalled Lin Ziming's The punch still felt lingering in his heart, and his soul trembled. He really couldn't understand why Lin Ziming was so tough and still human?

Gu Xuan squinted his eyes and said in a cold tone: "To destroy a person, it's best to start with the people around him, and kill him like this. It's too cheap for him. I want Lin Ziming to experience watching the people next to him. The pain of a loved one dying but powerless."

Gu Hanxing immediately clapped his hands after listening, and said excitedly: “Yes, yes, that is to let Lin Ziming experience the pain of losing a loved one! Fuck, the first to take his wife captive, I’m going to be the first Rape his wife, make a video and send it to him, put him on a big green hat! Then I will kill the people around him one by one, making him extremely painful, and finally let him be too late to vent me The hatred in my heart!” Now Gu Hanxing’s face is full of ferociousness, his entire face is distorted, and his eyes are full of hatred and cruelty.

Gu Xuan nodded and said, “Okay! Let’s rob Lin Ziming’s woman first.”

Many people think that Gu Xuan, as the vice president of the North Sky Club, is an upright person with clean means. In fact, it is just the opposite. Gu Xuan does not have any off-line, unscrupulous means, and his heart is cruel. His Gu Hanxing is not as good as his. just in case. He was able to slowly sit down to the position of today’s vice president of the Beitian Association from an unknown soldier, because of his cruelty and no bottom line.

As long as people who know him a little bit, they will not easily oppose him unless they are 100% sure of winning!

But a person like Gu Xuan is powerful, wealthy, and status. He is still a master of the innate realm. Who can beat him with absolute certainty? Most people will not offend him easily.

He has no idea how many years he has been provoked like this, Lin Ziming, must die!

The matter was decided in this way. After comforting his son Gu Hanxing, he planned to go to Hwaseong and take Chu Fei abducted.
