

## Chapter: 643

However, just as he walked halfway, suddenly in front of him, a woman in red appeared, blocking his way.

Seeing this woman, he couldn't help being amazed!

Nothing else, the woman in the red dress is really too beautiful, her face is as if she has been carefully carved by God, without a trace of flaws, and every place is so perfect.

Especially the temperament on the other party's body is even more like a fairy above the nine heavens, who does not eat the fireworks in the world, and has to ride the wind at any time.

The few subordinates with Gu Xuan couldn't move their eyes on the spot, they really thought they had seen a fairy.

Who else is this woman in red dress besides neon clothes?

Gu Xuan quickly recovered. He frowned and said, "Who is your Excellency, why are you blocking Gu's path?"

As a master of the Innate Realm, Gu Xuan actually didn't have the breath of discovering neon clothes in advance, including now that neon clothes was standing in front of him, he still couldn't see the neon clothes, so it means that the woman in red in front of him is definitely not simple.

Ni Chang looked at Gu Xuan, and said lightly: "Gu Xuan, anyhow, you are also an extraordinary figure in the congenital realm. Don't you feel embarrassed if you want to shoot at a woman?"

When Gu Xuan heard this, his expression immediately changed, his eyes sharpened instantly, and his aura changed tremendously!

"Who are you?!" Gu Xuan's current appearance is particularly terrifying. He changed the master of the pinnacle of the day after tomorrow. When he stared at him like this, he would be so scared that he would be scared and unable to exert any effort.

But for Nishang, it is useless at all. Nishang said: "I don't care if you avenge your son, but if you find the innocent family around Lin Ziming, I won't agree."

Gu Xuan laughed loudly: "Who am I? It turns out to be Lin Ziming's person! I think you are only in your twenties. You are a little girl who dares to threaten me on the ground of my Beitian Club. I think you are impatient too!"

There was no change in Nishang's expression, she continued: "I am not threatening you, but ordering you. If you dare not follow, please blame me for being ruthless to you."

"Hahahaha..." Gu Xuan laughed again. At this moment, he was very domineering, as if he was threatened by a vendor on the side of the road. "I have been aggressive and aggressive all my life, and no one dares to threaten him. Me! You, a little girl, dare to threaten me today? I think you

and Lin Ziming have a close relationship. Since they have already come, don't leave, just stay!"

When the voice fell, he shot directly. In the eyes of ordinary people, his legs have not moved the same, but his figure has been in front of the neon clothes, and he shot it with a palm. The power is huge, and it is actually The air must be torn apart, making a hissing sound, which is particularly terrifying.

However, when Nishang faced this palm, she didn't even blink her eyes, and she shot it directly, light and fluttering, as if she didn't have any strength, and collided with Gu Xuan's palm.

There was no fierce movement in my imagination, I saw Gu Xuan stepped back a few steps, and the tiles on the ground were all broken by him!

With a puff, he could not even catch a palm of the neon clothes, and a mouthful of blood spurted out.

At the same time, his face was amazed, an expression like hell!
