

Chapter: 645

Since the woman in the red dress had warned him this way, it meant that the woman in the red dress should be guarding Lin Ziming's wife during this period of time, and he would not be able to make a successful move now.

The best way is to seek revenge directly from Lin Ziming. Once he solves Lin Ziming, he can also clean up the people around Lin Ziming!

"Master Nishang, your strength is getting stronger and stronger, even Gu Xuan can't catch your punch." The Ugly Master said in awe and admiration.

When he first saw Neon Clothes, Neon Clothes was still a little girl. Now that many years have passed, Neon Clothes has grown into a big beauty, and her strength is unfathomable.

Ni Chang said calmly: "Gu Xuan is a very good opponent. Brother Ziming should be able to get a good temper on him."

Ugly Master said with some worry: "Gu Xuan is a veteran master of the innate realm after all. I heard that he is already in the middle realm of the innate realm, and the young master has just broken into the innate realm. Will he fail Gu Xuan?"

"There is no need to worry about this. Brother Ziming needs such pressure to better stimulate his potential." Nishang said.

Time flickered and another few days passed. During this period of time, he had been with Chu Fei all the time, just to guard against Gu Xuanhui's unscrupulous approach to trouble Chu Fei. If Gu Xuan took the shot himself, those bodyguards would not be able to stop Gu Xuan, and they would not even have room to call him.

Fortunately, after this period of time, Gu Xuan never showed up, but he relaxed a lot. According to reason, Gu Xuan should not be able to make a move.

In fact, he had also thought about whether that or something "sad man in neon clothes" had trouble with Gu Xuan in the past and warned Gu Xuan, so Gu Xuan only threw a rat trap.

Think about it, it's still possible.

At the same time, during this period of time, Ouyang's family also continued to invite him, but Lin Ziming refused all his meals in the past. Now that he knows the meaning of Ouyang's house, how dare he go to Ouyang's house?

But sometimes things are just such a coincidence, the less you don't want to see a person, the easier it is to see.

On this day, Lin Ziming sent Chu Fei to work, and on the way, he met Ouyang Yanran.

When Ouyang Yanran saw her, she was also visibly stunned, and then her face immediately became gloomy, she was particularly disgusted, and turned around and left.

Lin Ziming shrugged. Originally, he didn't have a good impression of Ouyang Yanran. To put it bluntly, he had enough Peach Blossom Tribulation on his body. If another Ouyang Yanran came, he really couldn't bear it, it would only increase his troubles.

So he also left directly.

However, after taking two steps, I suddenly heard a few dog barks, accompanied by Ouyang Yanran's panicked voice, and a scream, "Ouch!"

Lin Ziming immediately looked back and saw that a few stray dogs suddenly rushed out of the alley and barked at Ouyang Yanran. Ouyang Yanran was obviously afraid of dogs. She was so scared that she backed away in a panic. The foot was crippled and fell to the ground.

The eyes of the stray dogs were shining scarlet, and the corners of their mouths constantly flowed out. They looked terrifying, and they were about to pounce on Ouyang Yanran.

Lin Ziming frowned when he saw this scene. If Ouyang Yanran had something to do in front of him, even if it had nothing to do with him, it would not be easy to explain to the Ouyang family.

Besides, Ouyang Yanran is so beautiful, it would be a pity if she left a few scars on her body.

He immediately rushed up and kicked the stray dogs away in twos or twos.

"Are you wrong?" Lin Ziming turned around and said to Ouyang Yanran.

Coincidentally, Ouyang Yanran was wearing a skirt today, and now she is sitting on the ground. From Lin Ziming's angle, she sees a scene that shouldn't be seen...

In an instant, Lin Ziming had the urge to have a nosebleed.
