

## Chapter: 648

What a character Lin Ziming, he saw Ouyang Yanran's expression, he knew what she was thinking, and smiled and said, "What's wrong? Miss Ouyang?"

Ouyang Yanran felt aggrieved, her nose was sour, she had fallen like this, Lin Ziming was still laughing at her there! I really don't know how Grandpa and Dad thought of letting her marry such a man!

"You!!" Ouyang Yanran stunned, her eyes were really red, and she cried.

Lin Ziming was stunned. He was just joking with Ouyang Yanran, and didn't mean anything else, but Ouyang Yanran cried? This is too fragile.

But he is also a man who can't stand a woman crying, and quickly said, "Okay, I'll help you get up. It's not that I said you were crying. I just made a joke with you. Can you feel it?" "

When Ouyang Yanran heard Lin Ziming say this, she became even more aggrieved and angry. When has she been so angry! When he slapped Lin Ziming's outstretched hand, he cursed angrily: "Get out of the way, I don't need your help anymore, you annoying fellow, Zhu Bajie!"

Lin Ziming was speechless. Now a few passersby walked by. Hearing the movement, they looked over and pointed at him, thinking that he had bullied Ouyang Yanran. He scratched his head and said, "I'm joking with you." , Okay, the ground is dirty, and ants have really crawled over, and it won't be good to crawl on you then."

"Smelly hooligan!" Ouyang Yanran cursed.

Lin Ziming is even more daunted, why is he rogue again? Aren't you kindly helping her? Soon, he also realized what Ouyang Yanran meant, because he misunderstood that ants would climb on her ass. This is really a big mistake, he doesn't mean to molest Ouyang Yanran!

But when I think about it, there seems to be something wrong. Now Ouyang Yanran is wearing a skirt and sitting on the ground. There are really ants coming over. Ouyang Yanran is really a 'rogue' Ouyang Yanran.

"Ahem!" Lin Ziming hurriedly coughed twice and said, "You misunderstood what I meant, I don't mean that. Okay, hurry up, someone is looking at you, and they all think I'm bullying you. ."

Ouyang Yanran let her go, staring at Lin Ziming and cursing: "What misunderstanding is that you bullied me! When I go back, I must tell Grandpa that you bullied me and played hooligans on me!"

Lin Ziming was going to be confused on the spot. Whatever the situation, when did he play hooligans on her.

"Hey, can you be reasonable? When did I play rogue to you? I never touched you from start to finish." Lin Ziming said angrily.

"I don't care, anyway, you are playing a rogue to me!"

Lin Ziming was also angry. This Ouyang Yanran was too stubborn and

unreasonable. He obviously saved her, but was bitten back. “Sit down, then you just sit down, I won’t serve you anymore. .”

Ouyang Yanran was a little frightened when he saw Lin Ziming was really going to leave, but she was also a very serious person, gritting her teeth, and no longer willing to ask Lin Ziming.

But at this moment, she suddenly felt a few ants crawling over and itchy. She was so scared that she screamed, completely reflexively grabbing Lin Ziming’s clothes and rushing towards Lin Ziming, “Ah. There are ants!!!”

Lin Ziming was about to leave. One was accidentally caught by Ouyang Yanran and almost lost his center of gravity. Fortunately, his reaction speed was so fast that he instantly stabilized his center of gravity, so he didn’t pounce on Ouyang Yanran, otherwise he would really jump into the Yellow River. I can’t clean it!

Ouyang Yanran grabbed Lin Ziming and wanted to stand up, but her legs were too severe, but she was so painful after a little effort. Seeing that she was about to fall again, Lin Ziming hugged her waist in time and took her to her feet. And hug it up.

In an instant the beauty came into her arms, Lin Ziming smelled the scent of the young girl from Ouyang Yanran, especially when they both wore thin, so tightly pressed together, feeling Ouyang Yanran’s beautiful figure, Lin Ziming suddenly felt in his heart Dang.
