

Chapter: 649

Ouyang Yanran was terrified. She had always loved cleaning since she was a child, so she was very afraid of these snakes, insects, rats and ants, and her right foot was injured, which would hug Lin Ziming tightly, and there was a little barrier in between.

She quickly patted her buttocks and patted these ants away, which was disgusting.

However, when she moved like this, Lin Ziming suffered.

“Hey, I said, can you not hug me so tightly, my neck will be cut off by you.”

Lin Ziming said kindly, now he is also very big, Ouyang Yanran is hugging him so intimately, If you are seen by other people, you really will not be able to clean up after jumping into the Yellow River.

After hearing Lin Ziming’s words, Ouyang Yanran finally reacted. She screamed out of control and immediately pushed Lin Ziming away.

But she had forgotten that she was disabled. This push pushed her away, hurt her foot again, and started to fall again.

Lin Ziming looked at her stupid appearance, she was really going to be convinced, this Ouyang Yanran was really stupid. In desperation, Lin Ziming had to hug her waist again, without causing her to fall.

“I said you can stop me?” Lin Ziming said with a black face, he was really speechless to Ouyang Yanran.

Ouyang Yanran also knew that it was her own problem just now. She was now being hugged by Lin Ziming. She was very close, and she could clearly feel the breath passing from Lin Ziming, making her blush and flustered. You must know that she and her boyfriend have been in love for a few years, and they have never had such closeness, and Lin Ziming is also in good shape, with strong arms.

She couldn’t hold her face and said, “What are you doing so fiercely to me? I didn’t mean it.”

I have to say that Ouyang Yanran is still very beautiful, she is already slim at about twenty years old, and if she has a better personality, she is still quite feminine.

Lin Ziming rolled his eyes and was about to speak when he heard a loud shout from not far away: “Hey! What are you doing! How dare you be a gangster to my girlfriend, I will kill you!!”

I saw a handsome young man wearing fashionable clothes with very thick bangs. The image of the whole Korean version of small fresh meat. He was still holding a bunch of flowers. He happened to see Lin Ziming hugging Ouyang Yanran. With red eyes and full of anger, he threw the flowers fiercely and rushed over.

The momentum was fierce. From his running posture, he could see that he had the foundation for martial arts training. He suddenly punched out, speed

and strength were very fast, and he actually had the strength of the master realm. This was not easy.

If you change to an ordinary person, you will definitely not be able to avoid this punch. Once you get hit, you will definitely get hurt.

But for Lin Ziming, it was too pediatrics. Lin Ziming easily hid, and then escaped.

The opponent was still not willing to give up, and kicked over again, with a particularly vicious move, and kicked directly on Lin Ziming's head. This was a terrible way of playing.

Lin Ziming's eyes instantly chilled.

At this time, Ouyang Yanran reacted, she shouted loudly: "Bin Bai! Stop it!!"

Lai Binbai's expression was angry, and he didn't stop his hands. He still kicked Lin Ziming's head. How could Lin Ziming let him kick him? Bin Bai lost his center of gravity, exclaimed, and fell heavily to the ground.
