

Chapter: 652

In the next few days, Gu Xuan still didn't come to trouble Lin Ziming, and there was no movement in the entire North Sky Club, as if Gu Xuan had forgotten Lin Ziming.

This made Lin Ziming's reputation even more invisible. Many people focused on Lin Ziming, looking forward to the way Gu Xuan would trouble Lin Ziming. But as a result, it has been more than a week in the past. Gu Xuan still doesn't have any actions. This is completely different from Gu Xuan's consistent domineering style. Does it mean that Gu Xuan is already scared and dare not come to trouble Lin Ziming?

So in the circle, this topic is still the hottest topic recently, and many people are mentioning this.

Lin Ziming did not relax his vigilance, because he knew that Gu Xuan would never let him go. There is still no movement after so long. There is only one reason, that is, Gu Xuan is replenishing his energy and preparing for energy. Okay. Hit him with a fatal blow.

He had always been on guard, and at the same time gave orders. Now he must be more conservative in business and not give Gu Xuan a chance to break through.

It was Ouyang's side that made him helpless. Ouyang Xuehai had already invited him to dinner once, saying it was for business talks, but in fact the main thing was to match him with Ouyang Yanran. Where did he dare to go, especially after experiencing the events of that day, he was even more embarrassed.

He is almost 30 years old. Ouyang Yanran is only 20 years old. She is still a college student and can be Ouyang Yanran's uncle. Besides, he already has a family, not to mention that he made a mistake that day. In the spring light that Ouyang Yanran leaked, she also had intimate movements.

But some people can't hide from him if he wants to. After he refused Ouyang Xuehai several times, Ouyang Xuehai came to the door directly.

When he came out of Ziqiong Building that day, Ouyang Xuehai stopped him, pretending to be displeased, and said, "Ziming, you are really a dragon without seeing the head, and now I have finally caught you. This will make you and uncle good. Have a meal now."

Lin Ziming was very embarrassed at the moment. Since Ouyang Xuehai had found the door, if he refused, he would not give Ouyang Xuehai a lot of face, so he nodded and agreed.

The place to eat this time was still in Ouyang's manor. Ouyang Yanran also came back from school during this time. Seeing him at home, she was taken aback for a moment. The frost on her face was even worse. She thought that Lin Ziming was not dead and wanted to persuade her. What about the family! Over the past few days, the relationship between her and Laibinbai has

continued to heat up and become stronger. Laibinbai has been more gentle and considerate towards her. Now I want her to leave Laibinbai and marry Lin Ziming, an old-fashioned uncle. It is impossible!

So when she was eating, she kept her face cold all the time, she didn't show Lin Ziming a good face, even if Ouyang Xuehai and Zhang Guilan kept winking at her, she thought she didn't see it, and now she wants Lin Ziming Retreat in the face of difficulties.

Ouyang Xuehai couldn't stand it anymore, and said, "Yan Ran, don't let your head go to eat, go and serve your brother Ziming."

Ouyang Yanran pretended not to hear, and ignored it, until Ouyang Xuehai repeated angrily, she said impatiently: "He is such a big person, won't he serve the food by himself? rice."

"Hey, you girl, how do you speak." Ouyang Xuehai was very angry, his face a little bit uncontrollable.

When Lin Ziming saw this situation, he took the initiative to say: "Nothing, Sister Yanran is right, I have hands and feet, so I can serve it myself. Besides, I'm already full, Uncle Ouyang, Aunt Zhang, What can I do, I want to go back first."

Ouyang Xuehai immediately put down his chopsticks, kept Lin Ziming, and scolded Ouyang Yanran angrily: "Ouyang Yanran, look at you, you are not polite at all. I am angry with your brother Ziming! What do I usually do? Educated you, you have forgotten all of them, right!"

Ouyang Yanran was also annoyed. She herself has a more assertive character, "Dad, you are not finished! I have told you how many times, I already have a boyfriend, and I am not interested in this uncle. Why do you have to force me to do things I don't want! In your eyes, I am a tool, am I? Have you really cared about my feelings and my happiness!"

Ouyang Yanran also had infinite grievances in her heart, she said that her eyes were a little red, and she stared at Ouyang Xuehai very angry and unwillingly.

This made Ouyang Xuehai very shameless. He slapped his chopsticks hard and cursed angrily: "It turned you back!"

When Lin Ziming saw this scene, he only felt that his head was very big. He knew that he should have rejected Ouyang Xuehai in the first place, and that he should not come to Ouyang's house for dinner.

Now Ouyang Yanran looked at him with hatred and disgust, thinking that he was a hypocritical and ugly person, destroying her and Lai Binbai's relationship.

At this time, he had to stand up and speak, "Uncle Ouyang, I don't think you should scold Sister Yanran. She is right. You should really care about her feelings and care about her happiness. I am married. And she is nearly ten years older than Yanran's sister, so there is no happiness to be together barely."

"This..." Ouyang Xuehai's mouth moved, and he was speechless.
