

Chapter: 653

Now he felt very tired. His father Ouyang Feng tried his best to recruit Lin Ziming through marriage. In the end, both Lin Ziming and Ouyang Yanran strongly opposed it. It was really difficult to rely on him to force the match. Now he looked at his daughter's stubborn and disappointed look, his heart softened, and he waved his hand helplessly, and said, "Let's do it. Now that you all said this, then I won't beg you anymore. ."

Ouyang Yanran's tight face relaxed, and she was particularly happy. She didn't expect Lin Ziming would also speak for her. It seemed that this uncle was not too bad.

Then Ouyang Xuehai apologized to Lin Ziming again: "Ziming, I'm really sorry, the little girl is so stubborn that you laughed."

Lin Ziming waved his hand and said, "Nothing is going to happen. Actually, I really admire the character of sister Yanran who dares to love and hate."

Ouyang Yanran rolled her eyes in disdain, cut, can I still use it for your appreciation?

Now she just wants to see Laibinbai quickly, she has planned it, if the time is right, she can consider giving her body to Laibinbai!

This is what she has deliberately considered. After all, she and Libinbai have been in a relationship for three years. After changing to other couples, she has already rolled through the sheets many times, and she and Libinbai are still holding hands. This is unfair to Reibinbai.

Besides, when raw rice is cooked into cooked rice, parents will recognize Laibinbai even more!

Thinking of this, a happy smile appeared on her face.

Next, Lin Ziming stayed at Ouyang's home to drink tea, chatted with Ouyang Xuehai for a while, when the time was almost time, he started to go back.

"Yan Ran, go and see your brother Ziming."

Ouyang Xuehai ordered.

Ouyang Yanran was immediately unhappy, "Why should I send him off? Doesn't he know the way?"

Lin Ziming also said: "Yeah, Uncle Ouyang, I don't need to send it to my sister Yanran, I can go by myself."

Ouyang Xuehai said: "This can't work. They are all guests from far away."

In the end, under Ouyang Xuehai's order, Ouyang Yanran was no longer happy, so she had to send Lin Ziming out obediently. Anyway, she planned to go back as long as she sent it out the door and let Lin Ziming walk back by herself.

"Hey, uncle, let me tell you, you think you don't think about making my idea. It is impossible for me and you. Now my relationship with my boyfriend is very good. After we graduate, we will get married directly.

“Ouyang Yanran said solemnly.

Lin Ziming nodded and said, “Don’t worry, I won’t give you an idea. However, don’t believe your boyfriend too much. I don’t think he looks like a serious person. You’d better not be so fast. Give your body to him.”

Ouyang Yanran rolled her eyes, thinking that Lin Ziming was purely maliciously slandering Lai Binbai. She and Lai Binbai have been in love for so many years. Doesn’t she know who Lai Binbai is? It is absolutely impossible to blame her!

“Ho ho, thank you for your reminder, but Bin Bai is an upright gentleman, he is absolutely impossible to do anything I am sorry for!” Ouyang Yanran said categorically.

Seeing her attitude, Lin Ziming didn’t bother to talk about it.

However, at this moment, he suddenly heard a sound of talking from the next door. Looking over, he saw a white Mercedes-Benz car. The car was shaking up and down continuously. It was in the car. !

And, when he saw one of the figures in the car, he was stunned at the moment, unbelievable, is there such a coincidence? ? ?
