

Chapter: 654

Isn't it? In Lin Ziming's sight, I saw the figure in the car. It was Ouyang Yanran's boyfriend Lai Binbai that I met a few days ago!

Now Laibin was in the car, riding on a woman, all kinds of affection.

I go, this is too coincidental, too exciting!

Do young people nowadays know how to play?

Lin Ziming expressed shock. He has lived for twenty-eight years, and he has never experienced such a thing.

Moreover, this Mercedes-Benz still has no windows. Lin Ziming's hearing is good, and he can hear their conversations even tens of meters away.

Lin Ziming retracted his gaze and looked at Ouyang Yanran, who was inexplicably confident in front of him. He didn't know what to say for a while. How sad would it be for Ouyang Yanran to see this scene? I am afraid that I may have doubts about love.

Without knowing it, Ouyang Yanran snorted, and said displeased: "What is your expression, don't you believe me? I have been together with Bin Bai for more than three years, and he has never taken possession of me. Cheap, always based on my opinion and respect my wishes. Do you think that a gentleman like him will do things that are sorry for me? Besides, I have confidence in my looks, and Bin Bai definitely won't Fancy other women."

"Isn't that not necessarily?" Lin Ziming could not help but speak as if she was so convinced and asked.

Had it not been for seeing Laibinbai in the car with other women, he would really not dare to say that.

But this guy named Lai Binbai is too brutal, and he is doing this near Ouyang Yanran's home. Isn't he really afraid of being discovered by Ouyang Yanran?

Ouyang Yanran hadn't noticed this yet, she snorted heavily, and said with disdain and confidence: "Why don't you think all the men in the world are like you, you are obviously married, and you still want to Do you want to marry one more? I really don't understand, what kind of drugs your grandfather and dad were given to you, so I have to marry you, it's inexplicable."

Lin Ziming once again looked at the truly trembling white Mercedes-Benz in the distance, and said, "Ouyang Yanran, I think there are some things you'd better not say so absolutely. Your little boyfriend is really not a dedicated person. I won't stay with you for the rest of my life. I don't know which woman I'm out with. So, I persuade you to take some time and share it with him."

However, Ouyang Yanran sneered when he heard his words, and said: "Take a villain's heart to a gentleman's belly! Your words made my impression of you extremely low. You are also a listed company anyway.

The chairman of the company, his eyes are so small, and he said such disgusting words to slander my boyfriend. Do you think you are so stupid to hold you, do you believe you?"

Lin Ziming was speechless. He had seen a stupid woman, but he had never seen such a stupid woman, and so stubbornly, he didn't listen to the other party's opinions at all.

Okay, it doesn't matter to him anyway, he didn't bother to talk about it, shrugged and said: "Okay, you like it."

Finally, Lin Ziming couldn't help but look at the white Mercedes-Benz and sighed, "Nowadays young people can really play."

Ouyang Yanran followed his gaze and looked in the direction of the white Mercedes-Benz. She immediately saw the car swaying up and down again, and her face suddenly turned red.

Although she is still a big girl, she is not a little girl who knows nothing. In this case, she naturally understands what is going on inside. In fact, many classmates around her also like to do this kind of thing.

She still couldn't accept it. It was too shameless. Originally, this kind of thing between lovers was very private, but when they came to the road, they would be seen by passers-by. It was shameless enough!

As for Lin Ziming, this guy is still fascinated, he is a pervert!

When she thought that she had been taken advantage of by Lin Ziming a few days ago, she felt particularly sick and cursed, "Pervert, shameless!"

Lin Ziming was taken aback, and said, "Why am I shameless?"
