

Chapter: 655

Ouyang Yan then took a few steps back, moved away from him, and said with contempt: “You are still quibbling, you were all fascinated just now, stinky rascal, disgusting!”

Lin Ziming was speechless for a while, and said: “If you really say shamelessly, it’s not my turn, but your boyfriend Lai Binbai.”

“Shut up!” Ouyang Yanran cursed fiercely: “You are not allowed to say that to my boyfriend!”

Lin Ziming smiled, pointed to the trembling Mercedes-Benz in front of him, and said, “I said what happened to him? He dares to do this kind of thing, so no one is allowed to say it.”

Ouyang Yanran frowned, “What nonsense are you talking about? When did my boyfriend do this kind of thing!? You had better explain it to me, or I can sue you for slander every minute!”

Lin Ziming said with a weird expression: “Are you short-sighted, have you seen who is in the car?”

Just a few tens of meters away, it is reasonable to see clearly... Suddenly, Lin Ziming thought of something, he slapped his forehead suddenly, looking at him, he forgot about it.

He is in a congenital realm, and his eyesight is comparable to that of an eagle, so he can see the white face of Rabin on the other side clearly at night when the light is so dark.

But Ouyang Yanran is different. She is still an ordinary person, so she can’t see clearly.

“Insane, I don’t know what you are talking about, disgusting person! I’m going back, go back by yourself!” Ouyang Yanran turned and left after speaking.

By now, Lin Ziming could no longer just sit idly by. In any case, Ouyang Xuehai treated him quite well. If he hadn’t seen it, it would be okay. Now that he has seen it, he can’t just sit idly by.

So he went straight to hold Ouyang Yanran’s hand, and walked towards the white Mercedes Benz.

Ouyang Yanran reacted greatly and was taken aback, “Hey! What are you doing, let go of me, or I will kick you!!”

“Shut up!!” Lin Ziming was a little annoyed, and yelled at her. With some momentum, Ouyang Yanran only felt that her eyes were dark, and she didn’t dare to scream anymore.

But she was also very angry, thinking about waiting for her to return home, she must file a complaint with her family! Let parents and grandfather see Lin Ziming’s true colors!

“Hey, Lin Ziming, you’d better let me go, otherwise I really yelled!” Ouyang Yanran cursed in shame, she is getting closer and closer to the

white Mercedes-Benz, and she has begun to hear some movement on the car. This made her blush and shame especially.

Lin Ziming let go of her and pointed to the white Mercedes-Benz and said, "Didn't you insist that your boyfriend will not do anything to sorry you? Now you go and see who is the man in the car!"

Ouyang Yanran was stunned when she heard these words, and then her face became much paler, she shook her head vigorously and said, "This is impossible!!!"

"Impossible? You'll know if you go and see for yourself."

Just then, the windows of the white Mercedes-Benz car opened wider, and the sound inside became more pronounced. The woman inside said, "Hey, Binbai, if you do this, you are not afraid of being known by your girlfriend." "Cut, how could she know it! This idiot is so desperate to me now, don't say it, hurry up..."

When Ouyang Yanran heard these words, her eyes were red immediately!
