

Chapter: 657

Lin Ziming pulled her back from the bridge before he was willing to let her go, and said with a cold face, "Ouyang Yanran, you are too shameless. For this little setback, you are going to seek death. Have you thought about your home? person?!"

Ouyang Yanran said: "I'm crazy, who said I'm going to hunt for death, I just stood there and looked at the scenery to calm myself down, is this also wrong!"

"Huh?" Lin Ziming was stunned for a moment, "Well, then you can't go out like that, what if you accidentally fall down."

Ouyang Yanran said, "Why did I fall down so well."

Ok.....

It's the dog biting Lu Dongbin's ignorance of good people.

Lin Ziming said: "I think it's late, you should go home early, lest your family worry about you."

Seeing Lin Ziming was about to leave, Ouyang Yanran didn't know why, she was particularly frustrated, and she had an inexplicable need in her heart, hoping that Lin Ziming could stay with her.

"Hey, wait a minute!" Ouyang Yanran hurriedly stopped him.

Lin Ziming turned his head, frowned, and said with some impatience, "What's wrong?"

Ouyang Yanran was very angry when she saw his impatient expression. She was already like this. Lin Ziming was still so impatient with her that she would not take the initiative to stay with her. There was really no sympathy at all!

"I'm broken in love, won't you stay with me as a man?!" Ouyang Yanran said dissatisfiedly.

Lin Ziming looked at Ouyang Yanran with a weird expression and said, "Don't you hate me? Why do you want me to stay with you."

Ouyang Yanran was asked, yes, she should hate Lin Ziming, why should Lin Ziming accompany her?

She wanted to force Lin Ziming to leave, but when the words came to her lips, she couldn't say anything. Now she was really lost, very empty, and needed someone to accompany her. And Lin Ziming was the only one who knew about this, and it was considered to have some common topics.

She thought about it and said naturally: "If it weren't for you to come to my house for dinner tonight, my dad would not let me come out to send you off, and I would not have seen that scene, so shouldn't you be responsible to me!"

Hearing this wonderful theory, Lin Ziming was all stupid. He saw a savage woman, like a savage woman. It was the first time he encountered it. He was too lazy to waste time with Ouyang Yanran and set up one for Ouyang

Yanran. Thumbs, praised: "You are great, you can blame me for this."

After speaking, he turned around and left.

Seeing that he was really angry to do it, Ouyang Yanran was even more panicked, and said quickly: "Hey! Wait a minute, don't go!"

Lin Ziming still didn't stop, she panicked even more, and said in a choked voice: "Don't go, I'm really sad now, I need someone to accompany you, please..."

Lin Ziming stopped. He turned his head and saw Ouyang Yanran, who was crying with pear blossoms and rain. His heart softened suddenly. He sighed helplessly and said, "It's really bad luck for me to know you for eight lifetimes."
