

Chapter: 662

Lin Ziming was taken aback at the moment and wanted to live in a room with Tao Sanniang? How does this work!

“What are you kidding? When did I say that I want to live in the same room with you.” Lin Ziming opened his eyes wide, and quickly distanced himself from Tao Sanniang, but his heartbeat accelerated uncomfortably.

What an international joke, if he and a fairy like Tao Sanniang live in the same room, once it spreads out, they will definitely jump into the Yellow River and it will be unclear. Anyway, he is married, so how could he do this kind of thing.

Besides, with Tao Sanniang’s character, she has to coax something out every minute.

Tao Sanniang widened her eyes and said in surprise: “Don’t you know that there are a lot of people participating in the hunting contest this time, and there are not enough rooms on the northern border. Do you need two people to squeeze a room?”

“Then I can’t live in the same room with you. How proper is this.” Lin Ziming frowned and said, “Don’t lie to me. In today’s society, there are hotels and hostels everywhere, and the people who go are rich. People, how could you not find a hotel.”

Lin Ziming quickly reacted, what kind of society it is now, how could there be not enough rooms to live in? The organizers can’t even greet this point.

However, Tao Sanniang looked at him like a fool, and said, “I said Lin Ziming, do you really understand it or not? The place where this hunting competition is held is in the old forest deep in the mountains on the northern border. It is deserted, and the organizer built a simple hotel three months in advance. The rooms are pitiful, and some of them are not enough. There are four people in one room. We can squeeze in two people. A room is already very preferential treatment!”

Lin Ziming frowned deeper now? Is there such a thing? He was told rationally that it was possible, but intuitively, he felt that Tao Sanniang had deliberately used him.

He was about to talk, when the men came over and heard Tao Sanniang’s words, they all expressed their anger and jealousy, and the hostility in Lin Ziming’s eyes became even stronger.

“Sanniang, who is he?” A man with a national character face asked Tao Sanniang, his eyes looking at Lin Ziming were not good.

His figure is not particularly tall, with a height of 1.75 meters, but his arm span is very long, close to 1.19 meters. In his figure, he is considered to be very advantageous, and he can catch up with Lin Ziming. If in modern mixed martial arts, it can be regarded as a figure born for combat.

In other words, if a person like him goes to a fighting game, he has a natural

advantage in his weight class.

Of course, it is impossible for him to go to a fighting game, because this is tantamount to surrendering his status. He himself is the boss of a company, and his realm is at the peak of the acquired day.

The blind man could also tell that he liked Tao Sanniang, and Lin Ziming and Tao Sanniang were so close, they were his rivals in love!

Tao Sanniang smiled and said, "He, it's my boyfriend. When I get to the hotel, I want to live in the same room with my boyfriend."

As she said that, she took Lin Ziming's arm and leaned her head on Lin Ziming's shoulder, with the attitude of Xiaoniao Yiren.

When the man with the Chinese character face saw this scene, his expression became gloomy in an instant, and the corners of his mouth were twitching vigorously!

He has been pursuing Tao Sanniang for some time, but Tao Sanniang has always been cold to him. He originally planned to take advantage of this hunting contest to show his man's masculinity and charm, and take Tao Sanniang in one fell swoop. under.

This hunting contest was held in the deep mountains and old forests. Hundreds of people added ginseng. There was only one hotel, and the room was very scarce. He used his relationship to think about sharing a room with Tao Sanniang. Then he would definitely be able to put Tao Sanniang conquer. But now suddenly a Cheng Yaojin came out, grabbing love with a sword? How can he agree!

"Boyfriend? Sanniang, why have you never talked to me before!" said the man with a face of national character in a bad tone.

Tao Sanniang smiled, but there was no smile in her eyes. She said, "Du Xinli, I don't have a boyfriend who seems to need to report to you, right?"
