

Chapter: 663

Du Xinli's face was even more ugly, Tao Sanniang didn't give him any face like this. But the person he was really angry was not Tao Sanniang, but transferred all the hatred to Lin Ziming.

"Okay, do you even dare to snatch the woman whom Du Xinli is fond of? Which way are you powerful? Let me tell you." Du Xinli stared at Lin Ziming coldly, full of threats and hostility.

Lin Ziming is very annoying about this. He has been misunderstood in this way more than once. If he changes to Hwaseong, he will be polite, but now he is going to a hunting contest. Killing there is an act of tacit consent. His patience also plummeted, and he was too lazy to ink with such a person, and directly cursed: "It's your shit, get out."

After listening to this, Tao Sanniang opened her eyes wide, and looked at Lin Ziming in surprise, as if she had met Lin Ziming for the first time. This is too handsome.

As for Du Xinli, he was even more annoyed, the anger rushed to his chest, and the whole person was about to explode!

The remaining men with him all yelled one by one, surrounded Lin Ziming and Tao Sanniang, and cursed: "Damn, where are the little wanderers, dare to yell with Brother Li, I am looking at you. Impatient to live!"

"What are you doing so much nonsense with him? Go straight and hit him on the ground!"

"This kind of little white face, I punch and cry!!"

They said that they would all shoot to Lin Ziming.

Lin Ziming's expression was cold and motionless. He wanted to see who would move him first. He didn't mind giving him a fracture service.

Tao Sanniang stood up at this time and scolded loudly: "Hey! What are you doing, dare to beat people in front of me, are you going to fight against my Yuntian Pavilion!"

They were still quite jealous of Tao Sanniang, and when they heard these words, they immediately dared not act rashly.

Du Xinli stared at Tao Sanniang closely, and said unwillingly and angrily: "Sanniang, I have been pursuing for so many years, you have never been tempted by me, but now you are in the arms of other men, you are like this. Can you do it right!?"

Tao Sanniang frowned and said, "Du Xinli, I've told you many times before. I don't call you, and it's impossible to like you. You have to pester me. Now I want to beat me. Boyfriend, have you respected me?"

Du Xinli's mouth twitched again. He was an extremely masculine person. In his opinion, the woman he liked should obey him. Apart from Tao Sanniang, as long as he wanted a woman, there was no one. Unobtainable.

Now Tao Sanniang's practice has exceeded the bottom line he can tolerate.

“Okay! Then you just wait and see!” Du Xinli’s expression was cold, and he stared at Lin Ziming with threats and murderousness, and said: “Boy, there has never been anyone who dares to snatch my Du Xinli’s woman, you are the number one. A! I advise you to retire now, otherwise, tomorrow is the hunting contest, I won’t let you off easily!”

Now Du Xinli exudes a great threat and oppression. If ordinary people have been scared long ago, but for Lin Ziming, it is useless at all. He thinks Du Xinli is just a clown, so he just disdains it. Scolded: “Sabi.”

“You!!!” Du Xinli was even more annoyed. He clenched his fists, and the blue veins on his face burst out one by one, as if an earthworm was crawling, which was particularly frightening.

“Good, good! You have a kind, give me a wait and see!!!”

After speaking, Du Xinli walked away.
