

## Chapter: 665

“Just because of his little white face, we beat him down on the ground in minutes and begged for mercy!”

“This bad breath is really unpleasant.”

“Yes, even if we beat him, Yuntian Pavilion will definitely not really care about us.”

The group of men with Du Xinli were venting their dissatisfaction, and they didn't understand why Du Xinli had stopped them just now.

Du Xinli narrowed his eyes, flashing infinite coldness and murderous intent, and said cruelly: “What do you know, just beating him will only make him suffer a bit of flesh and blood. It's too cheap for him, meaningless tomorrow. Tomorrow. The hunting contest has just begun. When he dares to participate, I will hunt him directly in the hunting contest and treat him as a pig and dog, and let him watch his blood flow with his own eyes and die in despair.”

Those who were still filled with righteous indignation were stunned when they heard Du Xinli's words, and their scalp was a little numb.

They just wanted to teach Lin Ziming a lesson. At most, they had broken hands and feet, and Du Xinli directly wanted Lin Ziming's life!

Especially the crazy expression on Du Xinli's face made them feel terrified.

Now when he thinks of Tao Sanniang's act of acting like a baby in Lin Ziming, he is extremely annoyed and jealous, especially after passing the northern border tonight, Tao Sanniang still sleeps with Lin Ziming in a bed, and he is extremely uncomfortable. ! I felt like I was wearing a green cap and green.

So Lin Ziming must die.

It's just that he didn't expect that Tao Sanniang stood up to stop just now, not to protect Lin Ziming, but to protect him.

Taking Lin Ziming's martial arts as an example, they can torture their mobs to death.

The itinerary this time was quite stressful. It was not long before Lin Ziming came here before the plane started to take off. Because of the long distance, I still took a flight, otherwise the helicopter would be too slow.

Tao Sanniang was with Lin Ziming the whole time, which surprised Lin Ziming, and said, “Will Yuntian Pavilion only send you over for this hunting competition?”

“No, the large troops of the Yuntian Pavilion passed yesterday. I am here to wait for you.” Tao Sanniang blinked and said, “How is it? Is it particularly moved? Up?”

Lin Ziming ignored her directly.

After a pause, Tao Sanniang said again: “Ziming, can I ask you something?”

“You want me not to kill Du Xinli tomorrow.” Lin Ziming said with a smile.

Tao Sanniang was stunned for a moment, a little surprise flashed in her eyes,

and she immediately returned to normal, nodded and said: “Du Xinli has a bad temper, but he is not too bad, and he has done a lot of charity and crime. Not to die.”

Lin Ziming said: “Since this is the case, why do you have to reject him repeatedly? I think Du Xinli is also a talented person, he should be worthy of you.”

Tao Sanniang rolled her eyes and said: “What’s the use of being a talented person? I don’t call him. I can’t live my life with a man I don’t like.”

“Then what kind of man do you like?” Lin Ziming began to regret after asking this sentence.

Sure enough, Tao Sanniang’s eyes lit up, and she deliberately said shyly: “Like you, or if you divorced your wife later, go get a certificate with me. My skills are very good. I promise to make you happy. immortal.”

Can’t talk this day!

Lin Ziming simply closed his eyes and stopped paying attention to her.

After flying for three hours, the plane finally began to land, and Lin Ziming took a nap, full of energy.

He just wanted to stretch his waist and found that Tao Sanniang was asleep leaning on his shoulder, and there was a line of saliva flowing out of the corner of his mouth, showing his clothes, making him speechless.

Du Xinli, who happened to be sitting in front of him, turned his head and saw that they were so close, and the jealousy in his eyes was so intense, he did something to Lin Ziming’s neck, which was full of threats.
