

## Chapter: 669

He watched it for a long time, but he didn't even see that Tao Sanniang was acting. He finally chose to believe in Tao Sanniang. For Tao Sanniang, there is indeed no motive that is harmful to him.

"It's just right that Gu Xuan came, originally I wanted to find him to solve the matter." Lin Ziming said lightly.

Tao Sanniang immediately widened her eyes, "You are crazy! Do you know who Gu Xuan is? He is the vice president of the North Sky Club! He has an unfathomable cultivation base, shocking the world, and I don't know how many masters died in his hands. Come on. And he is already at the middle level of the Innate Realm. Even if you are in the Innate Realm, you have just broken through. How could it be Gu Xuan's opponent!"

Lin Ziming didn't speak, but kept a faint smile. Suddenly, he felt something and looked back in one direction.

In his sight, a middle-aged man in a gray suit appeared. He was tall and straight. His face was full of majesty. His eyes were piercing, deep and terrifying. One glance would make people frightened. He is an extraordinary person.

This person is not someone, but Gu Xuan.

His appearance caused the audience to quiet down. Everyone held their breaths, and was frightened by Gu Xuan's momentum. They didn't dare to make a noise for fear that they would offend Gu Xuan.

While Lin Ziming was looking at him, he was also looking at Lin Ziming.

Lin Ziming was staring at him in this way, and he could feel his eyes rising, as if he had been burned by fire.

This wasn't really being burned by the fire, but the pressure that Gu Xuan brought to him was too great, and his eyes seemed to be on fire.

Even Lin Ziming is like this, so there is no need to mention other people. Now they obviously feel that the surrounding temperature has risen a lot. It was cold here, and it was about to reach zero degrees. However, because of Gu Xuan's appearance, the surrounding temperature has risen by many degrees. What kind of power is this?

Of course this is impossible. It's just that Gu Xuan's aura is too great, and it has a huge impact on their spiritual world. Under the influence of their hearts, they feel that the temperature around them has risen. It is just that they were intimidated by Gu Xuan. , Your body secretes a lot of hormones, thereby raising your body temperature.

Even so, it's terrible, Gu Xuan's cultivation is terrifying.

Indeed, since taking a palm of the neon clothes that day, it has been helpful to Gu Xuan. From that palm, he has realized more things and his cultivation level has risen slightly.

Seeing Lin Ziming appear now, his anger suddenly rose, and he wished to

rush up immediately and beat Lin Ziming to death.

Lin Ziming's expression also became solemn, and it was obvious that Gu Xuan had brought tremendous pressure to him.

He had investigated Gu Xuan beforehand and knew that Gu Xuan was a strong man in the innate realm, with strong strength, and he was already mentally prepared. But when I saw him now, I realized that he still underestimated Gu Xuan.

However, this is even better, the stronger Gu Xuan is, the more he can stimulate his potential!

At this moment, Gu Xuan showed a smile that was not a smile. He ignored the people around him greeting him and walked towards Lin Ziming.
