

## Chapter: 670

Everyone felt the dignity of the atmosphere, and the sword was tense.

Some ordinary people who are not so courageous even feel that it is difficult to breathe, and their throats are strangled, which is very uncomfortable!

After Gu Xuan appeared, his eyes never looked away from Lin Ziming. No one could tell that Gu Xuan had blood and blood enmity against Lin Ziming, and this time he wanted to take Lin Ziming.

Seeing Gu Xuan striding towards Lin Ziming, many people started to get excited. They didn't dare to blink their eyes, waiting for the two of them tightly, for fear of missing some wonderful scenes!

Gu Xuan, but a famous figure in the circle.

He is an infinite master of the Innate Realm, or the vice-chairman of the Northern Sky Club. He still has a lot of industries under his hand. It can be said that regardless of financial resources, military power, and status, he is a top-level existence, so many people dare not provoke him and treat him respectfully. There is a plus.

And Lin Ziming is the most popular person in Huacheng recently. He is only 28 years old and is already the chairman of three companies. Among them, Ziqiong Media's market value is rushing to the tens of billions of dollars.

The most powerful thing is Lin Ziming's own strength. Rumor has it that he has successfully taken that superb cleansing pill and stepped into the innate realm!

It was also shocking to the world. At the opening ceremony that day, he defeated Gu Hanxing with a single punch and broke Gu Hanxing's "foundation". He was also a murderous man.

Now there will be a battle between the two upstarts and the old tycoons, which is full of gimmicks and extremely exciting in itself.

Tao Sanniang is just an ordinary person in the realm of a master. Facing the pressure of Gu Xuantai Mountain, how can she withstand it? Now she is trembling, and her legs are beginning to swing.

Seeing that she couldn't hold it, she was about to collapse, Lin Ziming didn't make her ugly, patted her on the shoulder lightly, and then stood in front of her to block Gu Xuan's pressure on her.

In an instant, Tao Sanniang felt much better, and the pressure on her body relaxed by 90%.

She was gasping for breath, looking at the tall figure standing in front of her, the shock in her heart was particularly strong. With Lin Ziming blocking in front, she feels safer and will never be afraid again.

Fortunately, Lin Ziming is a huge rock. No matter how fierce the waves of Shanghai beat, he can stay still and protect her safety.

She hadn't felt such a strong sense of security for a long time. At this time,

Lin Ziming guarded her figure, carve it deeply in her heart, and couldn't forget it again.

Finally, under everyone's gaze, Gu Xuan walked in front of Lin Ziming and asked, there was only one meter between the two.

To the super masters of their realm, this distance is equal to the distance, and the shot is extremely powerful and cannot be resisted!

But Lin Ziming didn't back down, even with a relaxed smile on his face, and he wasn't intimidated by Gu Xuan's mighty coercion.

Gu Xuan stopped, eyes like swords, piercing directly into Lin Ziming's eyes. Being so close, Lin Ziming could feel the magma-like heat of Gu Xuan even more.

But why should he be afraid?

At this moment, Gu Xuan said, "Lin Ziming, you have a lot of courage. You know I'm making trouble for you, and you dare to come to participate in the hunting competition. Are you afraid that I will kill you?"

When Gu Xuan spoke, his face was smiling, but there was a slight smile in his eyes, which gave people a creepy feeling.
