

Chapter: 674

To be honest, Lin Ziming was really surprised to see Tao Sanniang like this. He didn't expect that in this case, Tao Sanniang would ask to accompany him for the last night.

Does Tao Sanniang really like him?

It shouldn't be, like Tao Sanniang, what kind of man hasn't seen him before, how could he like him. Besides, after being in the circle for so long and seeing too many false feelings, Tao Sanniang wouldn't be emotional.

But anyway, Lin Ziming was still very moved. He could see that Tao Sanniang was not acting, but a voice from the heart.

Fan Lao pulled his face down immediately, gave Tao Sanniang a fierce look, and blamed Tao Sanniang for being ignorant and burying hidden dangers for Yuntian Pavilion.

"You can talk to Lin Dong a few more words, and then go with me. This hunting competition is very important, and a lot of work is waiting for you to do." Fan Laohao reprimanded.

Tao Sanniang bit her lip. She still listened to Fan's words. She looked at Lin Ziming again, her lips moved slightly. She wanted to say something, but in the end, she still didn't say anything. She just went up and gave it to Lin Ziming. Ming gave a hug and held it for five seconds, then let go of Lin Ziming and left with Fan Lao and others.

Old Fan took two steps, then turned around and sighed with regret at Lin Ziming, and said, "Young man, in fact, you shouldn't be against Gu Xuan, it's a pity."

Lin Ziming smiled, noncommittal.

When Old Fan saw him like this, he didn't speak any more, shook his head and strode away. In his eyes, Lin Ziming was indeed a dead person.

Masters of the Innate Realm who are under 30 years old are rare in the world. As long as they are given a long enough time, ten years, or even twenty years, it will not be impossible to reach the pinnacle of the Innate Realm.

It is even possible to send an impact to the legendary realm of King Kong indestructible.

There is nothing now, Lin Ziming has offended Gu Xuan, it is impossible to live, everything is in vain.

There is a saying, no matter how talented a genius is, once he dies, he is not a genius.

Now they looked at Lin Ziming with this emotion.

Some people feel sorry for Lin Ziming, some are gloating, and there are all kinds of people.

Lin Ziming just smiled at this indifferently. He was misunderstood a lot, and the current situation couldn't cause any waves in his heart.

Then he walked directly to the hotel, without showing his ID, he knew who he was and he was eligible for admission.

Tao Sanniang was right, because there were many people who came to participate, and there was only one hotel, so there were not many rooms. Many two or three people lived in one room.

According to the assignment, Lin Ziming wanted to live with another man, but when the two men heard that it was him, they were immediately terrified. They hurriedly applied for a room change with the hotel, and refused to live with Lin Ziming, as if Lin Ziming was the god of plague, who Who died if it was touched.

The hotel had to arrange for another person to share a room with Lin Ziming, but all the people who were drawn were not willing to live with Lin Ziming.

“Oh, Lin Dong, I’m so embarrassed, I have a habit of sleepwalking, so I won’t disturb Lin Dong when you rest, so I won’t live with you.”

“Dong Lin, I snoring very loudly when I sleep. You can’t stand me, so I won’t bother Lin Dong.”

“I have athlete’s foot...”

“I have a contagious disease.....”

They all kept a distance from Lin Ziming, evading the plague god. In the end, the hotel had no way to do it, so they had to arrange Lin Ziming to sleep in a room by themselves. They had never encountered this situation before.

Lin Ziming was also happy and leisurely. He was not used to living with other people, but now this situation is just right for him.

Into the night.

In the depths of the big forest, looking up, there are endless trees.

It was not peaceful at all, there were noises everywhere, and it seemed very hot.

Up to now, at least five hundred people have come to participate in the hunting contest, plus the staff to maintain order, the total number is even more than one thousand.

After taking a shower, Lin Ziming went down to the banquet hall to have dinner, and the scene was extremely hot.

Lin Ziming glanced over and saw many masters in the realm of masters, as well as many of the pinnacles of the acquired.

However, there are not many people in the innate realm, and there are only a few people, of which Gu Xuan is one of them.
