

Chapter: 678

Lin Ziming's eyes became cold, and the other party held the doorknob, ready to open the door.

interesting.....

Lin Ziming quickly got up from the ground, lay down on the bed, covered the quilt, and closed his eyes to pretend to sleep.

He wanted to see who was the one who dared to attack him!

Soon, the door was opened and there was a bang...

It was not opened by violence, but was opened by a door card induction.

Then, from the corridor outside, a light was projected into the room, and then, a graceful figure appeared at the door, looking around, sneaky, like a thief.

When Lin Ziming Yu Guangzhong saw this figure, he was stunned.

Isn't this Tao Sanniang, why did she run over! ?

The visitor is indeed Tao Sanniang, so she has the key card for Lin Ziming's room.

She struggled for a long time, and after a sister who was in the same room with her fell asleep, she sneaked out and came to Lin Ziming's room.

In fact, she didn't understand why she had to come and find Lin Ziming.

According to her usual character, she would not do this.

But she has always had this impulse in her heart. If she didn't take a look at Lin Ziming and talk to Lin Ziming, she would be really unwilling, as if she had lost something beloved.

In her opinion, Lin Ziming is going to die tomorrow. She and Lin Ziming are friends. On this last night, she should come to accompany Lin Ziming.

Fortunately, everyone is going to sleep in the room at this time, and no one sees her.

She opened the door cautiously, put her head in, and saw that the room was dark and there was a person sleeping on the bed, Lin Ziming. She breathed a sigh of relief, then walked in gently and closed the door.

However, as soon as she was about to close the door, behind her, there was a sudden voice, "Sanniang Tao? You didn't sleep at night, why did you run into my room?"

Lin Ziming's sudden words scared her so much that she jumped up and let out a scream, "Ah!!!"

And he almost fell to the ground with fright.

Lin Ziming was speechless when he saw her excessive reaction, so he turned on the light.

Tao Sanniang turned her head and saw that it was Lin Ziming. She relaxed from her nervousness. She thumped Lin Ziming in shame and cursed: "You almost scared me to death just now!"

She hurriedly closed the door and patted her chest, causing a surge of

surging.

Seeing this scenery, Lin Ziming couldn't help his heartbeat speed up a lot, and quickly looked away, don't look at any indecent.

Tao Sanniang seemed to have just taken a bath, and her body was so fragrant. In this lonely space, it was even more bloody.

Lin Ziming had to step back, kept a distance from her, and then said, "Is there anything wrong with you coming to see me so late?"

Tao Sanniang didn't answer him, but after her breath slowly stabilized, she chose to lock the door back and put the safety chain on, and then turned her head and looked at Lin Ziming, she still didn't speak, affectionately.

Sections.

Lin Ziming was really uncomfortable with the look in her eyes, so she frowned and pretended to be displeased and said, "Are you dumb?"

Tao Sanniang walked forward and approached Lin Ziming step by step. Lin Ziming's brows became deeper, and he suddenly realized that she couldn't see Tao Sanniang a bit.

He is not sure what Tao Sanniang's purpose is now, is he really in love with him, or is it another plan?

When Tao Sanniang moved forward like this, Lin Ziming had to retreat, or she would be touched by Tao Sanniang.

But the area of the room was limited. Soon Lin Ziming pushed to the corner, frowning even more tightly, and said, "Enough! You can get out now!"

Tao Sanniang paid no attention to him, but opened her arms and leaned towards Lin Ziming's chest.

Lin Ziming raised his palm, wondering if he should give Tao Sanniang a palm!

But in the end he resisted it, and Tao Sanniang successfully leaned on his chest.
