

Chapter: 679

Immediately the atmosphere became very ambiguous...

Lin Ziming's mouth moved, trying to say something cruel, but he suddenly couldn't say it, because at this time, he heard Tao Sanniang in front of him, and heard a low sobbing sound.

His body is stiff.

what's going on?

Did Tao Sanniang actually cry?

Is it because of him?

"You, why are you crying?" Lin Ziming asked with a numb scalp.

Now Tao Sanniang put her arms around his waist, buried her face in his chest, and cried softly.

This really made Lin Ziming at a loss.

Tao Sanniang finally started to speak, "I'm sorry, I'm sorry, I hurt you..."

Lin Ziming was stunned again. Tao Sanniang ran over in the middle of the night just to show her self-blame?

To be honest, Lin Ziming has always been very wary of Tao Sanniang. At this moment, he suddenly realized that he seemed to have misunderstood Tao Sanniang. Maybe Tao Sanniang is not as treacherous as he imagined.

"Can you let me go first, it's not suitable for you to hold me like this." Lin Ziming said helplessly.

Tao Sanniang didn't let him go, she continued to hold him, sniffed twice, and said, "You have always been on guard against me. You think I'm a bad person, you think I'm a bitch, right?"

This one.....

Lin Ziming is really hard to answer.

Say yes, it's not right; say no, lie.

In the end, Lin Ziming had no choice but to say, "I never thought you were a bitch."

"Then you have always thought that I was a bad person, thinking that my approach was for your purpose, and it was all to harm you." Tao Sanniang suddenly became a little girl, and she was a little bit coquettish, which made it difficult for Lin Ziming to resist.

He had always had no idea what to do with women, and he couldn't see the tears of women in particular.

"Sanniang Tao, you ran to my room in the middle of the night just to tell me this?" Lin Ziming asked weirdly.

Lin Ziming is very helpless now. He is held by Tao Sanniang like this. It is impossible to say that there is no feeling at all.

But he can't act rashly, he is a man with a wife.

Fortunately, Tao Sanniang finally let go of him, looked up at him, and said: "No blame you for thinking like this. I know my own affairs. All men will

think I am a vixen when they see me. Wandering bitch. But does anyone know that my third mother has never done shameless things from beginning to end. Wrong, I did rely on my own charm to seduce a lot of men and let them I am willing to do things for me. But I have never let them succeed, and I have never been touched by a man until now!”

This is a bit too much.

Lin Ziming couldn't help showing a suspicious look.

When Tao Sanniang saw it, Tao Sanniang snorted heavily, and said, “I knew you would misunderstand me like this, thinking that I am a prodigious woman, huh! Actually, I have never been touched by a man. All the men in the world think that a sexy and seductive woman like me must have experienced many men to have such skill. In fact, it is just the opposite. The truly brilliant charm technique requires a cultivator to maintain a virgin heart. Show the greatest power!”

Uh.....

Lin Ziming believed it, and through his judgment, knew that Tao Sanniang was not lying.

To be honest, this surprised him.

But what did Tao Sanniang tell him about this?

“I believe you are, but can you go out? I'm going to sleep, and there will be a fierce battle tomorrow.” Lin Ziming asked very sincerely.

Tao Sanniang glared at him fiercely, as if complaining about his incomprehensibility.

At this moment, Tao Sanniang's face suddenly blushed, and made a move that made Lin Ziming stunned!
