

Chapter: 680

I saw Tao Sanniang who was about to undress! ! !
what's going on?

Lin Ziming was shocked right now.

What's the situation, Tao Sanniang ran to him in the middle of the night to give him benefits? What is this? Knowing that he is going to die in Gu Xuan's hands tomorrow, so you want to reward him? Or is this the way Tao Sanniang expresses guilt towards him?

In any case, Lin Ziming couldn't do this.

Not to mention that he is already married. If he had sex with Tao Sanniang, he would have done something wrong with Chu Fei.

Even leaving Chu Fei aside, he can't have a relationship with Tao Sanniang now. Tomorrow will be a life and death battle with Gu Xuan. He must maintain his energy. How can he be discouraged tonight.

So he hurriedly stopped Tao Sanniang, staring and said, "Hey! Tao Sanniang! Are you crazy? In your mind, I am the kind of man who thinks in the lower body!"

Tao Sanniang was stopped by him, and said angrily: "Lin Ziming, are you a man? I have done this, and you still want to reject me?"

Lin Ziming said: "Is I a man, can I only prove it through this kind of thing? Okay, you go back, there is no need to use this way to express your guilt for me, I will tell you this way, tomorrow In a fight with Gu Xuan, I can only win, so you don't have to feel guilty or anything, just do your business well."

But Tao Sanniang didn't believe his words at all, looked at him deeply, and said, "Lin Ziming, you don't have to say these things to lie to me. I have already come tonight and I won't go back. You think I am guilty. Whether it's compensation, it's my shameless behavior to seduce you. My Tao Sanniang has rarely fallen in love with a man in my life. I don't want to do everything, so I just watched this man disappear in my world. !"

What she said was very sincere and serious. It was not a joke. It was the first time that Lin Ziming saw Tao Sanniang so serious after having known Tao Sanniang for so long.

The shock to his heart was quite big. Before that, he really hadn't thought that Tao Sanniang would really fall in love with him, which made him feel unreal.

I couldn't help but have a doubt in my heart, does he really have such a big charm?

Counting it down, many women have expressed love to him.

"Are you here for real?" Lin Ziming frowned and asked.

Tao Sanniang raised her head, fixed her eyes on Lin Ziming, and said, "What do you mean?"

“Okay...” Lin Ziming was a bit lost to Tao Sanniang.

Next, Tao Sanniang prepared the action just now and dedicated her life to Lin Ziming. This time, Lin Ziming stopped her again and said seriously:

“Sanniang, since I have said this, I will not hide you anymore. .”

“Tomorrow’s battle with Gu Xuan, Gu Xuan is not my opponent. Knowing why I know that the person behind Gu Hanxing is Gu Xuan, a super master in the middle level of the Innate Realm, should I still abolish Gu Hanxing? Because I am not afraid at all. Gu Xuan, in my eyes, Gu Xuan is just my stepping stone, killing him is just a trivial thing in my life.”

Lin Ziming said.

Tao Sanniang’s mouth moved slightly, she wanted to say something, but was interrupted by Lin Ziming, and said again: “Also, I can tell you, don’t think I have just broken through the innate realm, but I wash my marrow by swallowing the best. Dan broke through, the strength itself is stronger than the average innate realm. Besides, I have been improving every day since this time. I have studied Gu Xuan specifically, and with his current strength, he is really not my opponent. ”

Now Tao Sanniang was convinced, her eyes flickered a few times, and she asked uncertainly, “Really?”
