

Chapter: 685

When he said this, the expression on his face was completely distorted, full of hatred, anger, ferocious, and cruel.

Lin Ziming frowned slightly, and said, "I don't have the kind of relationship between Tao Sanniang and I. She came to my room last night, but I didn't have sex with her."

His explanation fell in Du Xinli's ears, and it became an expression of confession and fear.

At the moment, Du Xinli seemed to hear a big joke, and laughed loudly, "Hahaha! Lin Ziming, Lin Ziming, do you treat me Du Xinli as a fool? You two days, I, adulterer and adulteress, last night She even went to your room, now you come and tell me that you are not going to bed? Hahaha!"

Lin Ziming was silent. He suddenly realized that his explanation was a bit redundant. It was obvious that Du Xinli would not believe it, and it was impossible to believe him.

When Du Xinli saw him not talking, the smirk at the corners of his mouth became more intense, "Why, now I know I'm afraid? You weren't very arrogant before! Now let me show you another arrogant one!"

Du Xinli held the machete in his hand, and the light of the knife just shone on his face, looking particularly terrifying and hideous.

Lin Ziming said, "So depending on what you mean, do you have to kill me?"

"Why don't you see it now?"

As Du Xinli's words fell, the other four men, holding machetes in their hands, took two more steps and completely surrounded Lin Ziming in the circle. As long as Du Xinli gave an order, they would rush forward. Lin Ziming was hacked to death.

Du Xinli particularly enjoys this situation. He thinks that he has the absolute initiative. Lin Ziming is just a piece of meat on his chopping board. He can slaughter it at will, so he is not in a hurry now, thinking about seeing Lin Ziming dying. Desperate before, begging him for mercy.

So he raised his mouth, showing a joking smile, and said: "Of course, because you are a friend of Tao Sanniang, I will give you a chance to kneel down to me and kowtow to admit your mistakes. I can consider letting you go. Dog life."

Hearing this, Lin Ziming couldn't help but laughed.

Du Xinli saw that he could still laugh at this moment, and his face immediately became gloomy, and his killing intent was awe-inspiring, "When death is approaching, do you dare to laugh? If this is the case, don't blame me for being cruel! I'll take a knife! I will take you to death as soon as you offend me."

Lin Ziming said: "Du Xinli, I finally understand why Tao Sanniang has

always looked down on you. How could you be so retarded with Tao Sanniang's eyes? Originally, Tao Sanniang looked at you. Because you are her friend for many years, I beg you not to have the same knowledge as you. Even if you meet you, you can have a small lesson. Now it seems that there is no need for this. The evil side of your human nature has been exposed. When you come out, when you go out in society, you will continue to be blackened.”

Du Xinli showed an unbelievable expression on his face, and then he burst out with a chuckle, “Just you are a little white face, and you want to teach me? I think you are a woman who plays a lot, and you have blind confidence in yourself, right! Okay! Ah, since you are so good, now you come to teach me...”

Before he finished speaking, he felt a flower in front of his eyes. It turned out that Lin Ziming made a sudden move and slapped him in the face, knocking him down.

Lin Ziming slapped his dynamite barrel directly and cursed angrily: “I even dared to beat Lao Tzu, Lao Tzu will kill you!!!”

He hit a pretty carp, stood up again, and then firmly held the machete, struggling to chop it down at Lin Ziming.

It has to be said that Du Xinli's martial arts is still good, and it is cut in a good manner. If Lin Ziming is still at the peak of the day after tomorrow, it is indeed possible that he will not be able to escape.

But now Lin Ziming is in a congenital realm. To him, Du Xinli's knife is almost the same as a tortoise crawling. It's so slow...
