

Chapter: 687

Because of the rules, if Gu Xuan and Lin Ziming have never been able to meet each other, they will still be unable to fight.

However, this possibility will be very small.

“Mr. Gu, you said Lin Ziming, how many nameplates do you have now?”

One of Gu Xuan’s attendants asked cautiously that he was not originally on the same team as Gu Xuan. When he met Gu Xuan, he handed over his nameplate to Gu Xuan early.

Like Lin Ziming, Gu Xuan participated alone, but because of his reputation and strength, many people still had no choice to leave after giving their nameplate to Gu Xuan, but chose to follow Gu Xuan. , Look at the century war between Gu Xuan and Lin Ziming.

Therefore, there are a total of forty or fifty people who are walking with Gu Xuan.

Another person said disdainfully: “Why don’t you need to talk about it? There must be as many as Mr. Gu.”

“That’s not necessarily true. That Lin Ziming is also a master of the Innate Realm. In our hunting competition, besides Mr. Gu, he should be counted as the highest cultivation base.”

“What about the congenital realm? It is also the congenital realm, and the gap between them can be widened. Lin Ziming is just a newcomer who has just stepped into the congenital realm. Compared with a peerless master like General Gu, he is different. It’s not a little bit.”

“That’s true, in this hunting contest, Mr. Gu has the strongest strength, and the leader did not run away.”

These people surrounded Gu Xuan, changing their methods, all sorts of flattering Gu Xuan, to please Gu Xuan.

At this time Gu Xuan spoke, and said in a faint tone: “Hmph, Lin Ziming is just a stinky kid, I don’t know how high the sky is. It doesn’t matter how many nameplates he gets. When I meet him, it will be the day he perishes!”

Gu Xuan’s tone was cold and full of murderous intent, causing many people around him to feel bitterly cold and shiver involuntarily.

“Mr Gu is right!”

“Domineering, Mr. Gu! That’s awesome!”

“Of course, I don’t look at Gu’s identity. The vice president of the North Sky Club, the top master of the middle class of the Innate Realm, hitting a Lin Ziming is like crushing an ant.”

“In my opinion, will Lin Ziming have already voluntarily abstained now in order to avoid President Gu?”

“It’s really possible!!”

“Lin Ziming is not a fool either. He knows that he is not Mr. Gu’s opponent, and has now abstained and fled.”

Gu Xuan's eyes narrowed, and he was also a little afraid of this, but the intuition in his heart told him that Lin Ziming should not do this.

At this moment, a group of people appeared in front of him, and Gu Xuan looked at each other, and Gu Xuan's face immediately showed a meaningful expression.

The people who came were from the Yuntian Pavilion such as Fan Lao and Tao Sanniang. They also had more than 20 famous brands in their hands.

Although this hunting competition was organized by the Yuntian Pavilion, the Yuntian Pavilion is not the real organizer behind it, and it is also eligible to participate.

When Fan Lao, Tao Sanniang and others saw Gu Xuan, their expressions also changed, showing fear.

After thinking about it, they decided to come up. Fan smiled and said hello to Gu Xuan, "Hello, Mr. Gu, I haven't seen you last time, but Gu is always old at all, but younger. , Especially his cultivation is unfathomable. In my opinion, the leader of this hunting competition must be Mr. Gu."

Fan Lao's words revealed obvious jealousy and flattery.

Gu Xuan smiled slightly, and then he looked directly at Tao Sanniang and said, "Tao Sanniang, I heard that you and Lin Ziming are lovers. You stayed overnight in his room last night? Very good, very good."

When he said this, the atmosphere in the air instantly became rigid.
