

Chapter: 688

Anyone with a discerning eye can see that Gu Xuan is going to attack Tao Sanniang.

Tao Sanniang said, “Ms. Gu, what is the relationship between Lin Ziming and I? It seems that it has nothing to do with you too much, right?”

Everyone present felt that Tao Sanniang was too bold, and she even dared to hold Gu Xuan’s mouth. Don’t you know how to write dead words?

Fan Lao and the people in the Yuntian Pavilion also changed their complexions, and quickly winked at Tao Sanniang to tell her not to talk nonsense, so as not to get into trouble!

Gu Xuan’s brows were tightened immediately, and he smirked, saying, “What a peach sanniang, you are so courageous, you don’t even look at me, Gu Xuan. Fan, you Yuntian Pavilion has a character !”

His face was very gloomy, everyone could tell that he was angry, and a cold snort, a strong majesty emanating from him, made many people nervous.

Fan Lao quickly explained: “Tao Sanniang is ignorant, Mr. Gu must not have general knowledge with her.”

Then Elder Fan gave Tao Sanniang a slap in the face and sternly scolded: “Presumptuous, Tao Sanniang, how did you talk to Mr. Gu? You have turned your back! Don’t apologize to Mr. Gu quickly!”

After Tao Sanniang received this slap, half of her face was red, and her mouth began to bleed. It can be seen that Fan Lao slapped her with no mercy.

Tao Sanniang was very unconvinced in her heart, but she also knew that Mr. Fan did it for her good. Gu Xuan is not a small person. Even Yuntian Pavilion would not dare to offend Gu Xuan easily, especially in such occasions as hunting competitions. .

After weighing it, Tao Sanniang lowered her head and apologized to Gu Xuan, “President Gu, I’m sorry, Sanniang is ignorant and offended you.”

A smile appeared on Gu Xuan’s face, especially arrogant and proud. At this moment, in this space, he was the absolute king, and even Yuntian Pavilion could not disobey his will.

“Well, you are the first offender. I don’t know you as much.” Gu Xuan said, dispelling his pressure on Tao Sanniang, then took a look at Tao Sanniang’s body and said, “Tao Sanniang, your Conditions are good. My son Han Xing has a good impression of you. After this hunting contest is over, I will let my son date you.”

When Tao Sanniang heard this, she suddenly became annoyed and her expression changed.

Seeing her reaction, Gu Xuan frowned and said in a deep voice, “Why, you don’t want to?”

Without waiting for her to speak, the old Fan on the side quickly said: “Yes!

You can rest assured, Mr. Gu. After the hunting contest is over, I will personally take Sanniang to Beitian to find you and Master Gu.”

Gu Xuan showed a satisfied smile and said, “Well, it would be better if you take the initiative to come.”

When Elder Fan saw Gu Xuan’s face look good, he sighed in relief and said with a smile: “Since this is the case, then we won’t bother Mr. Gu and leave first.”

“Wait.”

As soon as they turned around, Gu Xuan stopped him and said faintly, “Give me the nameplate.”

In an instant, Fan Lao’s expression changed, and the corners of his eyes twitched fiercely. Gu Xuan actually wanted the nameplates on them. This was to deprive them of the qualification to compete! It’s too deceptive, you know, their Yuntian Pavilion is still the host of this hunting competition, the hotel is their Yuntian Pavilion, and now Gu Xuan directly wants to take their nameplate.

Not only Fan Lao, but the rest of the Yuntian Pavilion people, their faces became gloomy, and they couldn’t help but become annoyed.
