

Chapter: 689

Someone stood up and said, “Mr. Gu, you want our nameplate. It’s a bit too much, right?”

This person is also a master at the pinnacle of the acquired, and he has swallowed the marrow pill once, but he has not survived and successfully broke through to the innate realm. Furthermore, their Yuntian Pavilion is not a cat or a dog, but a powerful force. Gu Xuan is not giving them any face right now, it is arrogant!

Gu Xuan glared at him, murderous, the master of the acquired peak immediately staggered and backed away, with a look of fear on his face.

“What are you talking about?” Gu Xuan squinted his eyes, posing a great threat to people. Now he seems to be a fierce beast, who will swallow people in at any time, especially terrifying.

The man dared not say any more for a moment, and lowered his head.

Fan Lao gritted his teeth, Gu Xuan’s actions were so deceptive that he didn’t put him in the slightest!

However, people had to bow their heads under the eaves. Gu Xuan’s strength was unfathomable. Even if everyone in the Yuntian Pavilion combined, they weren’t Gu Xuan’s opponent. This means that once Gu Xuan tears his face and makes a move against them, they will not have the ability to resist, and then they will have to hand over the nameplate to Gu Xuan obediently.

Old Fan figured this out, and said with a smile: “Mr Gu said it well, we are justified in this, and hand over the nameplate to Mr. Gu.”

Under his gaze, the other members of the Yuntian Pavilion had no choice but to hand over the nameplate they had harvested to Mr. Fan, and then from Mr. Fan to give it to Gu Xuan. The total cost was about 20 yuan.

Gu Xuan grabbed the twenty nameplates and showed a satisfied smile on his face, but just when Fan Lao and the others were about to turn around and leave, Gu Xuan spoke again, “Fan Lao, you are not honest, you are scared. More than these twenty nameplates, right?”

Old Fan was taken aback, and said, “Mr. Gu, this is indeed the nameplate we harvested. Give it all to...”

At this point, Fan Lao suddenly understood what Gu Xuan meant. At the moment, his face was uncontrollably showing an angry expression, gritted his teeth and said, “Ms. Gu, the rest is the nameplate of our Yuntian Pavilion. If this is Given it to you, we will lose the qualification to participate.”

The other people also reacted, all of them glared at Gu Xuan, feeling that Gu Xuan was too much, and they even wanted to take away their own nameplate!

Gu Xuan’s face was indifferent, and he stretched out his hand directly and said, “Come on, if you have me, you can’t get the leader if you have the

nameplate. Old Fan, I didn't make a move because of your face. I changed it. Other people, I'm not that easy to talk."

What is arrogant, arrogant, domineering?

Gu Xuan explained this well.

It can be said that Gu Hanxing's character is completely inherited from him. There were dozens of people present, all of them calmed down. They turned their eyes on Fan Lao and others, watching how they would deal with them. Most of them took a gloating attitude. At the same time, he became even more in awe of Wen Gu Xuan.

Fan Lao's expression was constantly changing. After a few seconds, he sighed for a long time and made a decision that he still couldn't fight Gu Xuan, otherwise they would be the ones who would suffer.

"Then Fan wished President Gu a victory and won the leader of this hunting competition in one fell swoop!" Old Fan said, and handed his nameplate to Gu Xuan.

The other people in Yuntian Pavilion were very reluctant, but there was no way, their wrists couldn't stretch their thighs, and now that Gu Xuan had eaten them to death, they could only bow their heads.

Now they are looking forward to Lin Ziming's victory over Gu Xuan, slap Gu Xuan in the face fiercely, and help them vent their anger! ! !
