

Chapter: 701

Indeed, one of the reasons why the masters of the Innate Realm are terrifying is that their vitality is strong.

Now Gu Xuan no longer has the previous arrogance and domineering, and now his face is full of panic and begging for mercy, looking at Lin Ziming, hoping that Lin Ziming can let him go.

Lin Ziming recovered, he squatted down, looked at Gu Xuan, and said, “Gu Xuan, your time is over.”

Strong regret flashed in Gu Xuan’s eyes. He underestimated Lin Ziming too much. Give him a chance. He would definitely not go against Lin Ziming!

But now, nothing is useful anymore. He is defeated and his neck is interrupted. There will be no place for him in the future. He only hopes that Lin Ziming can have a large number of adults and let him die.

“Dong Lin, please let me go. I am willing to transfer all the property to you.” Gu Xuan continued begging.

Lin Ziming looked at him and said, “Gu Xuan, do you know why you are not my opponent? Because you don’t have a forward-looking heart. You have been a big man for too long. You have a bond. You think you are very strong and practical. It’s been a long time since you have made any progress.”

When Gu Xuan heard his words, his eyes flickered crazily, and finally, slowly dimmed, and agreed with Lin Ziming’s words.

However, he just wants to survive now.

“Dong Lin, let me go, I promise I won’t fight against you again... No, we will be your most faithful dog in the future!” Gu Xuan begged frantically for mercy, and he has completely abandoned it now. Dignity, I just want to survive from Lin Ziming, “Lin Dong, I have a lot of lost martial arts skills, as long as you let me go, I am willing to pass on to you without reservation! I also privately raised a lot of beautiful beauty ,and also.....”

Lin Ziming shook his head, interrupted him, and said, “Gu Xuan, you have disappointed me. You are also a character, so you beg for mercy with such dignity.”

Feeling Lin Ziming’s killing intent, Gu Xuan panicked even more. He quickly wanted to ask for mercy, but Lin Ziming no longer gave him this opportunity. He slapped a palm on the back of his head, and he snorted and died.

five minutes later.

Someone couldn’t help it, and wanted to go in tentatively to see what was going on, whether Lin Ziming was already cold.

At this moment, from the depths of the forest, there was a sound of footsteps. It was someone stepping on a tree branch and making a loud noise.

Then, in the eyes of everyone, a figure appeared, carrying a person in his

hand, and walked out without any haste.

When everyone saw this person's appearance, they were all stunned, showing an incredible look!

In their eyes, the person who appeared was Lin Ziming, not Gu Xuan!

Lin Ziming's clothes are torn now, only shorts are left, there is a lot of dust and blood on his body, his feet are bare, and there is a person in his left hand...No, it should be said that it is one. The corpse, Gu Xuan's body, came out of the forest step by step.

This scene really shocked countless people, and they were all dumbfounded. None of them thought that the one who survived would be Lin Ziming, not Gu Xuan!

"This....."

"Am I wrong? Did Lin Ziming win? Gu Xuan died?"

"My god, this day, it's going to change!"

"Lin Ziming, Lin Ziming, how could there be such a strong person..."

Tao Sanniang and the people from Yuntian Pavilion also arrived. They saw the people walking out of the forest. They were all dumbfounded and filled with disbelief. Tao Sanniang opened her eyes and covered her mouth tightly. She was in tears at this moment!
