

Chapter: 703

All of them shook their heads hurriedly, indicating that they didn't have this thought, for fear of being misunderstood by Lin Ziming.

Even the masters of the three innate realms, now dare not provoke Lin Ziming, retreat.

Lin Ziming now has more than four hundred nameplates in his hand, and a big bag full of them. He is already the person who has won the most nameplates in this hunting competition, and it is logical that he will also become the leader.

As for the reward for the leader this time, it is still unknown.

Lin Ziming then walked to Tao Sanniang and said with a smile: "You see, I'm not lying to you, I won."

Tao Sanniang's lips are about to be bitten, and she is now staring at Lin Ziming closely, her beautiful eyes are full of excitement, affection, rejoicing, and happiness.

Then, she moved forward, hooked her arms around Lin Ziming's neck, and sent her own kiss!

In an instant, Lin Ziming widened his eyes. Damn, when he relaxed, he was actually kissed by the fox like Tao Sanniang. It was too grassy!

However, Tao Sanniang's kiss is really sweet enough.

Lin Ziming tried to push Tao Sanniang away, but Tao Sanniang was so tight that he couldn't push away.

It's better to default.

No one can be ruthless. Lin Ziming sees Tao Sanniang's performance and knows that Tao Sanniang really falls in love with him. He knows how it feels to love someone. In this case, there is no need to push it mercilessly. Open Tao Sanniang.

A total of more than three hundred people were present, their eyes widened, looking at the two of them, full of envy.

Men envy Lin Ziming, women envy Tao Sanniang.

As for the people in the Yuntian Pavilion, their eyes are now shining, and they are particularly excited and excited. Now the relationship between Lin Ziming and the Yuntian Pavilion has become even closer!

Fan Lao was also very excited. Now he looked at Lin Ziming, he was looking at his son-in-law, and he even wished that Tao Sanniang and Lin Ziming would do things on the spot, which would be more secure.

Lin Ziming is a shy person. He was really embarrassed to kiss in front of so many people. After a while, he patted Tao Sanniang's arm and said, "Okay, many people are watching."

Tao Sanniang's pretty face turned red now, looking like a peach, especially attractive, making people want to take a bite.

It has to be said that Tao Sanniang is truly amazing as a woman, and she can

be called the best. When Lin Ziming faces her, it is difficult not to be unmoved.

“I’ve depended on you for the rest of my life, don’t try to escape from my palm.” Tao Sanniang leaned into Lin Ziming’s ear and said softly.

Lin Ziming felt painful and happy after listening.

Old Fan walked over, rubbed his hands, and said with a smile: “Ziming, I knew you would be able to defeat Gu Xuan, as expected! Gu Xuan was really defeated by you, it’s great.”

Lin Ziming said meaningfully: “Old Fan, you didn’t think so before, did you? I think you are very optimistic about Gu Xuan, now Gu Xuan was beaten to death by me, are you disappointed in your heart?”

Old Fan was taken aback by Lin Ziming’s remarks, and quickly explained: “There is nothing! There is absolutely nothing! Dong Lin, don’t get me wrong, I have always been looking forward to you winning.”

Lin Ziming smiled again. He just wanted to make a joke with Old Man Fan. He didn’t want to scare him like this, patted him on the shoulder, and said, “Old Fan, you relax, I just made a joke with you.”

Fan Lao smiled awkwardly, and realized that Lin Ziming was joking with him.

Next, Lin Ziming took these nameplates and went out to settle the settlement. Not surprisingly, he was the leader this time.
