

Chapter: 704

This hunting contest has been settled, and Lin Ziming, with the support of a group of people, walked out of the forest mightily.

When the forest was about to leave, the Siberian tiger ran out. The huge body shocked many people. Many people even took out their weapons and prepared to shoot.

Lin Ziming scolded, "Don't hurt it!!"

Now Lin Ziming's words are the golden rule, and no one dared to disobey his will, so they stopped reflexively.

Lin Ziming showed a smile and walked over to the Siberian tiger. The Siberian tiger roared and trot to Lin Ziming, and then leaned down, as if to kneel for Lin Ziming.

Lin Ziming walked up to the Siberian tiger and gently stroked its head. Such a ferocious Siberian tiger did not dare to have any reaction. He was incredibly well-behaved. It seemed that it was not a tiger but a kitten. This scene is right. For others, it was shocking and subversive!

Tao Sanniang looked at him, the admiration and affection in his eyes couldn't be concealed. This man was so perfect that he actually surrendered all the wild Siberian tigers!

In the zoo, there are indeed many tigers. They look very docile, and the caretaker will not bite people when they go in and feed.

But this is a wild Siberian tiger. It has lived in the wild since childhood and stored wild nature. Anyone will be torn apart in front of it, but now it surrenders to Lin Ziming's feet.

Lin Ziming's eyes were gentle. These days, it was this Siberian tiger who was accompanying him, with some feelings. Moreover, this Siberian tiger is very smart, has a high IQ, and has spirituality, which is very rare. Now the Siberian Tiger is expressing a meaning, hoping that Lin Ziming can take him away, and his huge head keeps rubbing Lin Ziming's hand, begging and acting like a baby with Lin Ziming.

"You belong here. It's not good for you to follow me. I will visit you often when I have the opportunity. Let's go." Lin Ziming stroked the Siberian tiger's head and said softly, as if talking to his own child.

The Siberian Tiger seemed to understand what he meant, and there was a look of sadness and reluctance in his eyes, which was breathtaking!

"Let's go, obedient." Lin Ziming scowled and scolded.

The Siberian tiger let out a low tiger roar, stood up from the ground, started to leave, looked back three times, finally walked a few dozen meters away, looked back at Lin Ziming again, issued a monstrous tiger roar, and finally jumped and disappeared. In the forest.

Lin Ziming shook his head helplessly, and continued to leave.

After the scene just now, his image in everyone's minds became even taller

and unfathomable. Some even suspected that he was the reincarnation of a god, otherwise, how could he have the ability to communicate with tigers? When they came out of the forest, everyone was already waiting there. Seeing that Lin Ziming came out first, they were all stunned, which was different from what they expected.

“What’s the situation? Why is this Lin Ziming coming out first? Where is Gu Xuan?”

“Yes, where is Gu Xuan? Did Gu Xuanzhen meet Lin Ziming?”

“It’s possible. You see Lin Ziming’s clothes are clean. Obviously, there is no fight, and there must be no encounter with Gu Xuan.”

“Damn, this Lin Ziming’s luck is really good, so I don’t even meet Gu Xuan and kill a dog!”

There were more than five hundred participants, and not everyone witnessed the battle between Lin Ziming and Gu Xuan with their own eyes. Now that they saw Lin Ziming walk out intact, they all agreed that Lin Ziming had not encountered Gu Xuan, and was lucky.

Including those three dealers, they are also frowning now, especially unhappy. They could make Lin Ziming a lot of money, two billion, but they didn’t even meet them. This is too bullshit!
