

Chapter: 709

Ning Yuning was not stupid either. Seeing Lin Ziming's reaction, she clearly didn't remember her name. This made her feel very disappointed. At any rate, she is also a well-known big star, with more than tens of millions of fans all over the country. She has been recognized in less than ten seconds after she showed her face, and pointed at her, very excited.

But Lin Ziming forgot her name.

But turning around to think about it, this is not surprising. People are the chairman of Michelle Media, who is aloft, and there are a lot of hot stars under him. It is normal not to remember her.

She put on the mask and sunglasses again, covering her beautiful face, and said: "Chairman, my name is Ning Yuning, we have seen it before."

Lin Ziming nodded and said, "I know, I ate together last time."

The few people next to Ning Yuning saw that Ning Yuning would take the initiative to greet a man, and their attitude was so low, they all found it incredible. You know, Ning Yuning is a popular star, who can sing and act, has a good variety show talent, and a perfect existence. It's too late for how many people to flatter her.

And the man in front of him looked so ordinary and ordinary, he was just an ordinary person.

Wait a minute, what Ning Yuning calls this man, chairman?

As Ning Yuning's new agent, Yu Qing asked, "Yuning, who is this?"

Ning Yuning said, "Sister Qing, let me introduce to you, this is Lin Ziming, the chairman of Ziqiong Media."

In an instant, Yu Qing's eyes widened, and the look in Lin Ziming's eyes changed.

The same is true for the remaining few people, their attitudes all lowered, becoming flattering and flattering, very real.

"Ah, it turns out that you are the chairman of Ziqiong Media. Fortunately, my name is Yu Qing, and I am Yu Ning's new agent. Hello, chairman!" Yu Qing bent over and flattered incomparably.

Lin Ziming nodded lightly, saying hello, and then said to Ning Yuning, "Miss Ning, I have something to do, so I won't bother you, and talk to you when I have time."

Ning Yuning's eyes showed disappointment again, and he squeezed a smile and said, "Is the chairman alone? Do you want us to give it to you?"

Lin Ziming thought for a while. He is indeed alone. Whether they are calling Chu Fei or Wang Shougui now, it will take a while for them to come here. They also have to line up to get a taxi. If Ning Yuning can take him out of the airport, then it couldn't be better.

"Okay, then trouble Miss Ning." Lin Ziming said with a smile.

Ning Yuning was pleasantly surprised. At this time, Yu Qing whispered in

her ear: “Yuning, you forgot that we came to the airport this time to pick up Smith. They have landed and will be out soon.”

Although they spoke very quietly, Lin Ziming heard what kind of hearing he heard immediately. He didn't let Ning Yuning difficult to do it, and said: “I suddenly remembered that I have called a friend to pick me up, so I don't need it. Trouble Miss Ning.”

Ning Yuning bit her lip. Although she was quite disappointed, she nodded and said, “Okay, then, Chairman, you can go slowly and talk again when you have time.”

Lin Ziming nodded and was about to leave. At this moment, five tall foreigners came from the opposite side. The one looking at the age of about 30, looked very handsome. Lin Ziming had some impression of him. He was a movie star from abroad, and he was quite famous.

It seems that Ning Yuning's team has taken over this group of foreigners.

They swaggered over, particularly domineering, and everyone who stood in front of them was pushed away by two bodyguards.

Now they saw Lin Ziming walking in the middle, and two white bodyguards pushed him away directly and violently.

Lin Ziming frowned immediately, this group of foreigners dared to be so domineering on the territory of China.

Facing the push and pushing of two white bodyguards, he stood still, as if he was frightened and stupefied.

Many people passing by saw this scene, and they all raised their hearts, thinking that Lin Ziming would definitely suffer. With such a thin body, he would be severely injured by two white men!

However, the scene that happened next made them dumbfounded.
