Not only Smith, but many people present were also shocked.

Lin Ziming feels different at this moment. It is obvious that people are still the same person. The changes in the first second and the next second are different. The aura that Lin Ziming exudes now is very large, which invisibly affects everyone. , Causing them to look at Lin Ziming as if they had encountered their own leader, instinctively afraid and nervous.

Just kidding, who is Lin Ziming? Once he gets angry, there are few people who can bear his anger.

However, Lin Ziming's aura didn't last long. He was a low-key person in his bones and didn't want to attract too many people's attention.

Smith shook his head and felt that he had hallucinations. How could the thin Chinese man in front of him be scared? This is simply an insult to him!

So he became even more embarrassed and angry, snorted heavily, swearing an swear word, then waved his hand and said to Bush and Jordan: "You go together and teach me this yellow-skinned monkey!"

Bush and Jordan received Smith's order, nodded vigorously, then put on a boxing posture, and began to walk towards Lin Ziming, grinning, as if Lin Ziming had been beaten to the ground by them.

Everyone around raised their hearts, thinking that Lin Ziming must be unlucky this time. The two bodyguards looked too strong and their fists were as big as ordinary people's knees. How could Lin Ziming be their opponent? what.

Yu Qing and the others also became anxious, worrying about Lin Ziming. Now Lin Ziming is going to be bad, and he will definitely blame them at that time!

Yu Qing became anxious. She quickly grabbed Ning Yuning's hand and said, "Oh, Yuning, this is not good. Lin Dong is about to be beaten, and we won't be able to escape responsibility by then!"

She immediately saw that Ning Yuning was not worried at all, but rather excited. Her eyes widened and the corners of her mouth were still smiling. She was very puzzled and complained: "I said Yu Ning, it's about this time, you You can still laugh! Wait a minute, Lin Dong was beaten, and we are not having a good time. Oh, how could this happen, I knew I shouldn't have said hello to Lin Dong just now, as long as they didn't meet, then There will be no conflicts, no conflicts, and no trouble to us, alas..."

Yu Qing Barabala said, with worry and panic on his face, Ning Yuning rolled her eyes and comforted her: "Sister Qing, don't worry, Lin Dong is a

martial arts expert, and he will be fine. You I'll see it later, and it must be these two bodyguards who are unlucky.”

When Yu Qing heard these words, she widened her eyes and scolded: “Ning Yuning, you are crazy, Lin Dong is so thin, how could it be...”

However, she hadn't finished what she said, and she saw an unbelievable scene. The two bodyguards arrived in front of Lin Ziming. Just as they were about to punch, they were kicked out cleanly by Lin Ziming. , Kicked these two bodyguards upside down, fell to the ground and couldn't get up.

Not only her, but so many people present were also dumbfounded at the same time. They couldn't believe that the scene before them was true. It was too unreal to look at. The tall body of the two bodyguards was actually kicked by Lin Ziming. Flew out?

This.....

Smith was also dumbfounded. When he reacted, Lin Ziming had already walked in front of him, stared at him coldly, and said, “Who did you say is a yellow-skinned monkey?”
