

Chapter: 716

Lin Ziming didn't have the opportunity to beg for mercy, so he raised his hand and slapped him with two slaps, knocking the two of them to the ground, half of his face was swollen into a pig's head.

For a while, everyone looked at Lin Ziming's eyes differently. This damn place is too domineering and violent. This is a tall foreigner, so he has been taught this way, how can he feel that it is so different? Really.

Smith was shocked and horrified. It was not the first time they came to China, but they had never encountered such a thing before. Those Chinese people they met before were not respectful to them. .

"You, you..." Smith covered his face, feeling fiercely painful, looked at Lin Ziming in horror, unable to speak clearly.

Not to mention them, Yu Qing and others were equally shocked. Wan Wanyan had thought that the chairman of Ziqiong Media was so violent and so capable!

Lin Ziming looked at Smith condescendingly, and said, "This is a small punishment for you. Next time I will hear that you insult our Chinese people, then I will not be as simple as slapping you!"

Smith was very angry, very annoyed, and felt humiliated and gritted his teeth, but he didn't dare to talk back to Lin Ziming, because he was afraid of Lin Ziming.

Lin Ziming accepts it when he sees it, and he doesn't continue to embarrass them. Instead, he turned his head and said to Ning Yuning: "Miss Ning, I'm sorry, I beat these foreigners, it may be a little difficult for you, but I will make a fight Call Ye Piaoyang and explain this to him clearly."

Ning Yuning felt warm in her heart inexplicably, does Lin Ziming care about her feelings?

She shook her head and said, "Dong Lin, you are too polite. You are not to blame for this. It was Smith who was too overbearing. I support your approach."

After she finished speaking, she blinked her eyes, a bit witty, Lin Ziming smiled slightly, without saying anything, but said: "In this case, then I won't bother you, I'll go back first."

Ning Yuning originally wanted to keep Lin Ziming, but Lin Ziming had already turned and left. Her lips moved, and she wanted to say something to keep, but in the end she didn't say anything, and she felt a little disappointed. But immediately, she started to get excited again. Is this the connection between her and Lin Ziming closer?

But to be honest, the chairman just now was really handsome and domineering. Such a man is perfect!

After Smith waited for Lin Ziming to leave, he breathed a sigh of relief and began to curse furiously: "This damn yellow...Chinese, it's damn! I must

call the police!”

Then, he stared at Ning Yuning and Yu Qing fiercely, and said: “I will tell you what happened just now to the chairman. I am very dissatisfied with your performance just now! This cooperation has been cancelled!”

After speaking, he did not dare have the opportunity of Ning Yuning to talk to Yu Qing, turned around and walked away, but his back looked very embarrassed.

.....

After Lin Ziming returned from the airport, he took a taxi and returned directly to Yulong Bay.

He didn't care about what happened just now, and for him, it was nothing more than a small thing.

An hour later, Lin Ziming returned to Yulong Bay. He happened to see Chu Fei watering the flowers there, wearing a casual dress, watching the special virtuousness, Lin Ziming's heart immediately softened when he saw this scene.

He worked hard outside to provide Chu Fei with a stable environment.

He walked over and gestured to the bodyguards hidden around him. They immediately saluted Lin Ziming, showing respect for Lin Ziming, and then disappeared silently.

With Lin Ziming, Chu Fei was the safest, and no one could harm Chu Fei.
