

Chapter: 717

It just so happens that they can also take a vacation.

“Hi, beauty, is it convenient to have a meal together?” Lin Ziming quietly walked behind Chu Fei, patted Chu Fei’s shoulder lightly, and said with a smile.

Chu Fei subconsciously refused: “It’s inconvenient, I already...”

Finally, the word ‘marriage’ was not spoken, Chu Fei suddenly stiffened, and the watering can in her hand fell to the ground with a bang. The next second, she turned around abruptly and saw Lin Ziming, she directly opened his arms and threw herself into Lin Ziming’s arms, his eyes suddenly turned red!

Lin Ziming didn’t think that Chu Fei’s reaction was so big, but he was stunned. Then, he was hugged tightly by Chu Fei, and he also felt Chu Fei’s proud figure, which made him dantian. The fire inside was ignited all at once.

It is said that a long-term goodbye wins a newlywed, and there is no mistake at all.

In addition, his current physique is dozens of times that of an ordinary person, and he is not very vigorous. He hasn’t seen each other for almost ten days after counting down, and Lin Ziming is naturally very heart-strobed!

“Ziming, you are finally back, I think you are about to die!” Chu Fei hugged Lin Ziming tightly, and said affectionately.

Lin Ziming’s heart was filled all at once, and it was good to have a woman waiting at home.

He hugged Chu Fei with his backhand, and said emotionally: “Fei Fei, I miss you a lot during this period of time, and miss you very much.”

Chu Fei’s eyes turned red, and she said, “Where have you been these days, the phone is turned off when you call, so I worry about you.”

Lin Ziming was also quite ashamed when he heard Chu Fei’s voice choking. He left his mobile phone in the hotel when he participated in the hunting contest, so Chu Fei could not find him.

With Chu Fei’s character, she would definitely be very worried.

Fortunately, he defeated Gu Xuan. If he loses, the consequences will be disastrous.

“Feifei, I’m sorry, I didn’t think carefully enough to make you worry. But don’t worry, this kind of thing won’t happen in the future. I will take my mobile phone with me and report to you as soon as I go wherever I go.” Lin Ziming seriously said.

However, Chu Fei shook her head and said, “Ziming, you have misunderstood me. I don’t want to monitor you. What I want is your peace. No matter what you do, wherever you go, you must use your own safety is the most important thing.”

Lin Ziming felt Chu Fei's affection through Chu Fei's eyes, nodded solemnly, and said, "Well! I promise you that you will put your safety first and will not do it casually. Dangerous things."

Chu Fei nodded: "That's good... annoying, don't move your hands!"

Feeling Lin Ziming's salty pig's hand, Chu Fei's originally affectionate face turned red all at once, and she was extremely shy. Lin Ziming, a gentleman who used to be a gentleman, has become so lusty now, it's too daylight. of.

Lin Ziming smiled happily: "My wife, I didn't sleep well last night, and I was a little sleepy. Why don't we go back to our room and rest."

Chu Fei blushed hard, and her heartbeat speeded up a lot. She was no longer an ignorant girl. She didn't know what Lin Ziming meant, and she was ashamed for an instant.

She subconsciously wanted to nod her head to agree. Suddenly, she thought of something, and quickly removed Lin Ziming's salted pig hands, and whispered: "Don't coax, Qin Yao is here!"

"What?" Lin Ziming was taken aback, then he looked in one direction, and he saw Qin Yao standing there, looking at them with extremely jealousy.
