

Chapter: 718

Lin Ziming was taken aback. Damn, why is Qin Yao here? Did you see the intimacy of their couple just now? It's a bit embarrassing now.

Fortunately, Lin Ziming was thick enough, he coughed dryly, let go of Chu Fei, and said, "Qin Yao is here, why don't you tell me?"

Chu Fei rolled her eyes at Lin Ziming, expressing speechlessness. She found that Lin Ziming had not only changed color, but also had a thicker skin than before.

"You are ashamed to blame me. You don't want to say hello to me when you come back. I have no time to tell you." Chu Fei complained a little bit, and now she feels embarrassed too. Just now Lin Ziming reached out to her clothes. I went inside, and Qin Yao saw this scene, which was really embarrassing.

Speaking of it, she and Qin Yao hadn't seen each other for a long time. Just these few days, Qin Yao came to talk to her every day, and took the initiative to mention Lin Ziming several times. It was good, it was embarrassing to be seen by Qin Yao of the intimate things between their husband and wife.

I have to say that Chu Fei is really beautiful, especially after she became a woman, her gestures and smiles became more feminine, especially attractive. At this moment, Qin Yao took the initiative to walk over, her eyes fell on Lin Ziming's face, and there was a clear grudge. She saw the affection between Lin Ziming and Chu Fei just now, and she was so envious and jealous!

She wished that she would become Chu Fei, so that Lin Ziming would eat tofu well.

"Feifei, I really envy you, and Lin Ziming's relationship is so good." Qin Yao said half-jokingly after walking over.

Chu Fei didn't know that her good friend Qin Yao had long been on Lin Ziming's idea. She blushed and said, "Qin Yao, don't laugh at me."

Qin Yao said: "There is no joke about you, I really envy you, I can find such a good husband like Lin Ziming!"

When she said this, she deliberately licked her lips and made a provocative action to Lin Ziming. Lin Ziming shuddered immediately. He quickly moved his gaze to one side. Qin Yao is also a fairy. what!

Why now he has so many fairies around him inexplicably, it seems that he has become a Tang monk, one inadvertently was eaten by these female fairies!

Chu Fei was acting a little stupid now, and she didn't hear Qin Yao's off-line sound, and she didn't even think that Qin Yao had already hit Lin Ziming's idea. She went to hold Qin Yao's hand and said with a smile: "Qin Yao, On your terms, it's not easy to find a good man. I think that Young

Master Liao was very good before. He is handsome, has a company, and is quite rich.”

When Qin Yao heard this, a little panic flashed across her face, and she quickly explained, “Fei Fei, what are you talking about? I’m very innocent with Young Master Liao, and I absolutely don’t have that relationship! Don’t slander me. , I’m single now, I’ve always been single, and I’m so clean.”

Qin Yao’s remarks were clearly spoken in front of Lin Ziming.

In front of his wife, how dare Lin Ziming show any intimacy with Qin Yao? He quickly moved his gaze to the other side, pretending that he didn’t hear it. Chu Fei saw that Qin Yao’s eyes were not right. When she said this, she didn’t talk to her, but looked at Lin Ziming. She felt very strange and asked, “Qin Yao, you said this and looked at Lin Ziming. What is Ming doing?”

Lin Ziming immediately panicked when he heard this, and quickly glared at Qin Yao.

Qin Yao was also a little panicked and explained: “No, I haven’t seen your husband for a long time, I heard that your husband is now the big boss.”
