

## Chapter: 722

“This, isn’t it good?”

Lin Ziming said immediately, and gave Chu Fei a frantic wink, telling Chu Fei not to leave Qin Yao down for the night. Just kidding, he hasn’t eaten meat for a long time. If this is to leave Qin Yao to stay overnight, he will have to take a bath in minutes. .

However, Chu Fei couldn’t help blushing and glared at Lin Ziming shyly, pretending that she didn’t see it.

Qin Yao’s gaze was always on Lin Ziming, and she naturally saw Lin Ziming’s expression, and she became more determined to stay overnight.

She sighed in retreat and made a very disappointed expression, and said to Chu Fei: “Fei Fei, since Ziming has said this, then I’ll go back and come to see you next time. .”

At this point, she sighed again and said: “But speaking of it, our two sisters did not have a long conversation. Remember the last time, it was time for college? Alas... .”

Chu Fei is a very softhearted person. She can’t bear to see Qin Yao’s resentment now. Moreover, Qin Yao’s words are wrong. The two sisters have indeed talked for a long time.

So she took Qin Yao’s hand and said, “Don’t worry about him, you can stay to sleep tonight. Our two sisters have not slept together for a long time.”

what? Do you want to sleep with her? What should I do!

Lin Ziming immediately widened his eyes and stunned, and said hurriedly, “Hey, did you forget me? You sleep together, what about me?”

Chu Fei gave him an angry look, and said: “You sleep by yourself, why do you want to squeeze with us?”

I think...

Of course, Lin Ziming couldn’t say this anyway.

“I don’t mean that, but you two will have a chance to talk in the future, why bother with this night?” Lin Ziming felt that his performance was obvious enough, Chu Fei could understand it anyway.

Chu Fei naturally understood. There was a blush on her face. In fact, she also wanted to sleep with Lin Ziming, but Qin Yao is already here, and she is such a good girlfriend, she can’t drive Qin Yao away. So I can only temporarily wronged Lin Ziming for one night.

“That’s it. Tonight, I will sleep in the guest room with Qin Yao, and you will sleep in the master bedroom by yourself.” Chu Fei said firmly.

Qin Yao flashed some cunning eyes, hugged Chu Fei’s hand, and said happily: “Great, our two sisters can finally have a good chat, hehe.”

Taking advantage of the angle that Chu Fei couldn’t see, Qin Yao blinked at Lin Ziming again, showing a triumphant expression. This made Lin Ziming very angry, gritted his teeth, and when he went back, he had to deduct Qin

Yao's salary!

Lin Ziming knew that the matter had settled, and he was powerless, so he sighed helplessly, and let's go to bed tonight. When the light bulb of Qin Yao is gone tomorrow, he will teach Chu well. Philippines.

Tonight Chu Fei and Qin Yao sleep in the guest room, and Lin Ziming sleeps in the master bedroom alone.

He was indeed a little tired. After entering the room, he simply meditated for a while and then went to bed to rest.

Sleeping is necessary for everything, even if Lin Ziming cultivates to the innate state, it is no exception, but the time he needs now does not need to be as long as an ordinary person.

Soon, he fell asleep. In the state of sleep, his physical injury was gradually healed. When he wakes up tomorrow, he will be much better.

Sleeping in a daze, he suddenly heard vaguely, as if someone opened the door and came in!
