

Chapter: 725

With that said, Qin Yao was about to leave.

Lin Ziming was shocked by what she said, and hurriedly pulled her back and said, “You are crazy, stop for me!”

Qin Yao yelled and said, “You let me go, I want to tell Chu Fei, you eat my tofu while I am sleepwalking.”

Now in the middle of the night, Qin Yao yelled a little loudly, and it happened that Chu Fei was sleeping in the next guest room again. Lin Ziming was really afraid that Chu Fei would hear it, then things would be bad. He jumped into the Yellow River and couldn't wash it. what!

The key point is that Qin Yao's courage is also too great, and he even dared to run into his room and engage in night attacks. He was even more courageous than Tao Sanniang.

How come the women nowadays are so rascal.

Lin Ziming hurriedly covered Qin Yao's mouth, and said in a low voice, “You are not allowed to call, or I will be rude to you!”

It's just why Qin Yao was afraid of him, looking at Lin Ziming with fluttering eyes, clearly saying, Lin Ziming, you scumbag, you dare to attack Chu Fei's good friend, it's too scumbag.

Lin Ziming was really pissed off by Qin Yao. How could there be such a shameless woman? It was obviously Qin Yao who came to his room by himself, and now the wicked complained first.

But he didn't have a way, because he knew that once Chu Fei knew about it, because of Chu Fei's personality, he must have chosen to believe in Qin Yao instead of trusting him.

I had known that he should lock the door back when he was asleep, so as not to give Qin Yao a chance to attack at night!

Qin Yao was not afraid that Lin Ziming would cover her, and now she was struggling and hugged Lin Ziming. If Chu Fei saw this scene, it would really be unclear if she jumped into the Yellow River.

The worst thing is that Lin Ziming is a healthy man. In this case, it is a great test for him.

If this continues, he suspects that he is really going to lose control.

I had to take a deep breath, circulate the true energy in my body, and quickly calm my mind, “Enough, Qin Yao, you can stop, let me go, and go back to Chu Fei's room. I think this has never happened. .”

Qin Yao heard the seriousness and anger in his tone, and her heart jumped. She became a little frightened, and her movements stiffened.

“Ziming, I like you. I really like you. Give me a chance.” Qin Yao said affectionately. Under the shining of the bedside lamp, she seemed so affectionate and gentle, making men feel heartbroken. It's soft.

Qin Yao herself is a big beauty with a high-value appearance, and there are

many pursuers outside, but it is difficult for normal men to resist her beauty, so she has never known that she only relied on suitors to invite her to eat, drink and have fun over the years. How chic.

Lin Ziming is a man, a normal man, or a handsome man, and it is difficult for him to sit still.

If he is an ordinary man, he must have made a mistake now, but he is not an ordinary man. His will is very tough and his principles are firm, so he still gritted his teeth, pushed Qin Yao away, and said seriously: “Qin Yao Please pay attention to your identity! You are Chu Fei’s good friend, and I am Chu Fei’s husband, are you so worthy of Chu Fei!”

Guilt flashed in Qin Yao’s eyes, yes, Chu Fei was her good sister, and treated her very well, I believed her... However, she did this entirely to help Chu Fei.

“Why can’t I be sorry to Chu Fei? Don’t think I don’t know. You also have a lot of peach blossoms outside, and there are a lot of vixens who entangle you. Sooner or later, you will be succeeded by these vixens. If this is the case, it is better for me to go out and take you Squeezed it dry, you won’t have the energy to get rid of flowers and grass outside, and Feifei’s identity as the palace will not be threatened.” Qin Yao said naturally.

Lin Ziming was blindfolded when he heard these words. What kind of strange theory is this?

Lin Ziming was about to speak to retort. At this moment, he suddenly heard footsteps in the corridor outside, and when he reached the door, he opened the door slowly. In an instant, his nerves were tight!

Only one person can come here at this time, Chu Fei! ! !
